JUST HOW FAR OUT ARE YOU?

TEST YOURSELF!

If this ink blot reminds you that it's time to send a note to the old folks at home, a note full of laundry, it's clear your id is out of whack and you're the kind who would stand in the Grand Canyon and feel a touch of claustrophobia. All of which is your problem.

Ours is these cigarettes: L&M. With our patented Miracle Tip, we have found the secret that unlocks flavor in a filter cigarette, but not everyone knows this—so we have more L&M's than we need. You probably have less than you need.

When you write your folks why not ask them to send you a carton of L&M's and not so much starch in the collars, hey?

Reach for flavor... Reach for L&M
