

# Ebert Scores Upset In IM Mat Action

By BOB DEAN

Heavyweight Charlie Ebert of Phi Gamma Delta scored the biggest upset of the year in IM wrestling last night with a 13-11 decision over Ron Alleman of Delta Theta Sig.

Alleman was runner-up in the heavyweight division last year, losing to Clem Newbold of Sigma Alpha Epsilon.

Johnny Black, wrestling 167 for Acacia, scored the fastest fall of the evening in 0:46 over George Meyer of Alpha Chi Sig to retain his top-seeded position.

Delta Chi's Howard Walter also turned in a quick pin over Dave Cohen of ZBT in 0:52 of their 128-pound match. At 135, top-seeded Joe Bollinger of Chi Phi pinned Joe Orsatti of Tau Phi Delta in 3:49.

Other top-seeded wrestlers who won last night were Bill Phillips of Alpha Sigma Phi and Al Bennett of Delta Upsilon. Phillips squeaked by David Maize of Kappa Sigma, 5-3, while Bennett had an easier time in outscoring Dale Persing of Alpha Chi Sigma, 5-1.

Independent Stan Metz defeated John Wagner, 3-2, on time advantage in their 167 pound match. Harold Peterson of Phi Delta Theta just missed a shutout over Alpha Phi Alpha's 142 pound entry, Harvey Coleman, and settled for an 11-1 decision.

# Herrera Likes Second Base

CLEARWATER, Fla. (AP)—Six feet 3 and 222 pounds, Pancho Herrera looks like a first baseman, which he was, or a third baseman, which he tried. But he looks a little out of place at second base, which is where the Philadelphia Phillies have him.

Pancho has been up before after showing good hands and a big bat in the minors. That was in 1958, when he was in 29 games as a first baseman, third baseman and pinch hitter. He hit .270.

Last year, still at first and third, he was just about everything with that bat, leading the International League with 37 home runs, 187 hits, 128 runs batted in and a .329 average at Buffalo.

"I never play at second before this spring," said Herrera, who has more difficulty with English than with a ground ball. "I like it like I like first base. There is action. You make the double play, that is what still troubles me a little, and there are runners sliding."

**Think small.**  
The Volkswagen is 4 feet shorter than a conventional car, yet has as much leg room up front as many big cars. 18 college students have gotten into a sun-roof VW; a tight fit. Mother, father and three growing kids suit it nicely. So does regular gas, in surprisingly tiny amounts. The VW uses only 5 pints of oil, and you can forget about adding any between changes.  
Volkswagen spare parts are inexpensive. The Authorized Dealer price for a new front fender is \$21.75.\* A cylinder head, \$19.95.\* The nice thing is, they're seldom needed.  
Another nice thing: a new Volkswagen is \$6000. Other than radio and side view mirror, we can't think of anything important that isn't included at the price.  
Last year, almost 120,000 Americans thought small and bought VW Sedans. Think about it. While you have it in mind, come in and drive one.
