

# Nittany Netmen to Host Penn As Fogg Starts 14th Season

By JOHN MORRIS

Penn State tennis fans are proud of the record that the Lions have rolled up in the last decade and a half. And many will tell you that the Lions' success has been due largely to the man who has coached "everything from football to girls' basketball"—Sherm Fogg.

Lion teams have compiled a commendable 76-65-2 record under Fogg's guidance during the last 14 years and the big coach is hopeful that this year's team will be able to add to the winning side of the ledger.

He'll find out tomorrow, when he sends an experienced, "hungry" team out to face always tough Penn on the Jordan courts at 2 p.m.

Fogg started his coaching career after starring in football, swimming and track at the University of Wisconsin. He stayed on at his alma mater for a year of graduate work and coached the Badgers' freshman track team.

After Wisconsin, Fogg coached at high schools all around the country before landing at Vermont where he was the football line coach and assistant coach of the track and basketball teams.

He came to Penn State in 1943 and, except for a year during the

SHERM FOGG

... boasts winning log

war, has been here ever since as tennis coach.

This year's team is typical of all Fogg-coached teams—full of spirit and enthusiasm. The team merely reflects the enthusiasm that is a part of Fogg himself.

The Lions, led by captain Gerry Carn, veteran Dick Ludwig and spunky soph Jim Baker, face a tough 12-meet schedule.

After tomorrow's lid-lifter the

Lions go on the road to face powerful Georgetown Thursday and they return home against Maryland next Saturday.

"We'll have a good team this year," Fogg said earlier in the week, "but that doesn't necessarily mean we'll have an outstanding record." The Lions will meet the top teams in the east, and Georgetown always ranks high nationally.

The rest of the schedule finds the team at home against Bucknell, April 27; Lehigh, April 30; West Virginia, May 17; and Army, May 21.

The Fogg-men will play at Pitt, April 20; Cornell, April 23; Navy, May 3; Colgate, May 13; and Syracuse, May 14.

## 6th NBA Playoff Game Scheduled for St. Louis

NEW YORK (AP)—If a sixth game is necessary in the best-of-seven title playoff series in the National Basketball Assn. it will be played in St. Louis on Thursday night, April 7, NBA President Maurice Podolof said yesterday.

The seventh game, if necessary, would be played in Boston on Saturday, April 9.

The two clubs currently are tied with one victory each with the third and fourth games booked for St. Louis this weekend. The fifth game will be played at Boston on Tuesday night.

## Braves Top Senators

ORLANDO, Fla. (AP) — Mel Roach's infield single in the ninth gave the Milwaukee Braves a 7-6 exhibition baseball victory over the Washington Senators Thursday.

Roach's bouncer scored rookie Mike Krsnich, who had reached third earlier on a throwing error by shortstop Zorro Versalles.

# LA Plans No Changes For '60 Pennant Chase

By JOE REICHLER Associated Press Writer VERO BEACH, Fla. (AP) —

Pay no attention to all the talk about Dodger rookie Frank Howard moving Gil Hodges off first base to third, with Junior Gilliam shifting to second and Charley Neal switching to shortstop.

It won't happen. Not this year and probably not next year. There will be no changes made on the Los Angeles Dodgers this season.

Howard, the big Ohio State bonus boy is not ready. He needs more minor league schooling. Hodges, the best first baseman in the National League is too old to start playing a position with which he has only a nodding acquaintance.

Gilliam can't play second. Neal is the best second baseman in the league and just a mediocre shortstop. Maury Wills is the best shortstop on the club.

So it's safe to say the Dodgers will open the 1960 season with the same lineup that won the pennant and the World Series. Hodges, Neal, Wills and Gilliam in the infield; Wally Moon, Don Demeter and Duke Snider in the outfield and Johnny Roseboro behind the plate.

The team, according to Mana-

ger Walter Alston, has a chance to be better.

"Several reasons," he said. "We will have pitchers Larry Sherry and Roger Craig from the start of the season. The staff as a whole will be more experienced. We went through a tight pennant race with kids like Don Demeter, Maury Wills, Johnny Roseboro and Ron Fairly."

"A race like that makes men out of boys. The experience of the World Series should give the club confidence, poise and stability."

The club is the same with the addition of pitcher Ed Roebuck, outfielder Tommy Davis and possibly Howard. Shortstop Bob Lillis has an outside chance.

## Errors Ruin Pirates

ST. PETERSBURG, Fla. (AP)—Four Pittsburgh errors gave St. Louis three unearned runs in the eighth inning yesterday, enabling the Cardinals to come from behind for a 7-5 baseball victory.

# Lucas Grid Squad Iron Man

All-American quarterback Richie Lucas emerged as the "iron man" of Penn State's 1959 football squad. The senior field general from Glassport logged 370 minutes of playing time out of a maximum possible 600 minutes in 10 games.

Halfback Jim Kerr was runner-up with 355 minutes. Guard Bud Kohlhaas finished third with 346 minutes; end Norm Neff fourth with 341 minutes; and Captain-elect Henry Opperman, fifth with 339 minutes. Others in the "300" bracket were center Jay Huffman, 328; halfback Dick Hoak, 326; tackle Tom Mulraney, 322; tackle Andy Slynchula, 321; and fullback, Pat Botula, 302.

Six played 200 minutes or more, namely tackle Charlie Janerette, 274; guard Bill Popp, 272; guard Frank Korbin, 251; fullback Sam

Sobczak, 231; end John Bozick, 217; and tackle Stew Barber, 213.

Players with 100 minutes or more of paying time to their credit were halfbacks Dick Pae and Eddie Caye, quarterback Galen Hall, guard Sam Stellatella, and center Jim Graham.

## TACK TRICKS... AND A TAX TRICK—ON YOU!

At least the man who sits on this chair will know he's the victim of an April fool's joke.

But you are being stung every day, without knowing it—by unsuspected taxes to put the government into the electric power business.

Already nearly \$5,500,000,000 in tax money has been spent for this. And now pressure groups and lobbyists for this federal "public power" are trying to get \$10,000,000,000 more.

The worst of it is that more spending for federal "public power" is unnecessary. Independent electric companies, like the one that serves you, are ready and able to supply all the low-price electric service America will need—without depending on taxes.

You can help call a halt to this unnecessary federal spending. Talk to your friends and neighbors. When enough people know about this waste of their tax money, it will be stopped.
