

Netmen Face Penn in Opener, Challenge Quaker Win Skein

By JOHN MORRIS

Desire may be the deciding factor between two equally experienced tennis teams when Penn State hosts Penn on the Jordan courts this afternoon at 2 p.m.

The Nittany netmen are anxious to atone for the 9-0 white-washing handed to them by the Quakers last year but upsetting the Philadelphians won't be an easy job for the ambitious Lions because Penn has the nucleus of last year's strong club back plus a good bunch of sophomores.

Penn compiled an 11-5 record in 1959 including their 17th straight win over the Lions and the Nittanies are determined to break that streak and start one of their own.

Captain Gerry Carp will lead off for the Nittanies in the number one slot followed by veteran Dick Ludwig. Ludwig, a junior, improved quite a bit last year and was playing in the top spot by the end of the season.

Flashy Lion soph Jim Baker will be the third man for the Nittanies. Lion tennis enthusiasts are high on Baker and they feel he is a coming star.

State coach Sherm Fogg has given the fourth spot to junior letterman John Blanck. Blanck lost his match last year to Orren Knauer, returning this year as

DICK LUDWIG

... holds second spot

one of the six singles men for the Quakers.

Johnny Krall, another returning letterman, will face the fifth man for the Philadelphians. Krall was used mostly in doubles for the Lions last year.

Vance Rea, winner of last fall's IM championship will be the sixth singles man in the State line-up. Penn coach Al Malloy hasn't

decided what lineup he'll use against the Lions, but he has a talent-laden staff from which to choose.

The six singles men for the Quakers will be soph Bill Reynolds, captain Jan Van Amerongen, and lettermen Ken Lehman, Russ Cleveland, Bert Berkwich and Knauer.

Malloy hasn't announced his doubles teams yet, but chances are the doubles men from last year—Van Amerongen, Knauer, Lehman and Cleveland—will be the nucleus of the Penn duos.

Veteran Carp and newcomer Baker will combine their talents as the number one doubles team for the Lions. Carp has been a top doubles operative for two years and Baker was a member of the PIAA championship doubles team two years ago.

State's number two doubles team will be made up of Blanck and Don McCartney. The same two played together against Penn last year and were upended by Knauer and Lehman, 6-4, 6-1.

Fogg will employ Garry Moore in a doubles role again this season. Moore and Vance Rea will be the number three duo for the Lions. Moore and Ludwig played together in last year's campaign.

Bone Chip May Sideline Warfare, Derby Hopeful

By JOHN CHANDLER

Associated Press Sports Writer

NEW YORK (AP)—Clifton Jones' Warfare, the unanimous choice as 2-year-old champion of 1959 and one of the leading contenders for the Kentucky Derby May 7, was knocked out of all the 3-year-old classics yesterday by a bone chip in his left hind ankle.

The ailment developed mysteriously Thursday at Aqueduct, Warfare's headquarters in New York. Trainer Bill Winfrey, who handled the great Native Dancer seven years ago, said he left Warfare at noon. Returning at 2:30 p.m., he said Warfare was favoring the foot and an examination disclosed something wrong.

When the ankle showed a swelling yesterday, X-rays were ordered. The bone chip showed up on the plates. An operation likely will be performed to remove the chip.

"He's definitely out of the 3-year-old classics. Derby-Preakness-Belmont Stakes," Winfrey said.

Warfare had been expected to start in the \$25,000 added Gotham Stakes at Aqueduct today, a one-mile race in which he would have been an overwhelming favorite.

MIAMI, Fla. (AP)—Bally Ache and seven other 3-year-olds were entered in the \$100,000

added Florida Derby and the Edgemoor Farm star was favored to win his fourth stakes victory of the season at Gulfstream Park today.

Chief opposition to the winner of the recent Flamingo is expected to come from E. P. Taylor's Canadian-born Viccori Park, Llangollen Farm's California-bred Eagle Admiral, and Sunny Blue Farm's Venetian Way.

A fast track is expected and Gulfstream Park officials predict a crowd of 25,000, with NBC screening the race to a nationwide audience from 4.30 to 5 p.m. (EST).

A Campus-to-Career Case History

Ken Murphy meets with Revenue Accounting people to discuss a new statistical formula. This will be used to proportion the billing time spent on interstate and intrastate Long Distance calls.

He's making math and telephones add up to a fine business career

During his senior year in college, math major Kendall T. Murphy had job interviews with several firms, but none of them appealed to him. "I wasn't interested in doing pure mathematics," he says. "I wanted to apply math and statistics to everyday business problems and have management responsibilities, too."

At a professor's suggestion, Ken talked with a Bell System representative and was "surprised to learn how many practical applications statistics had in telephone company operations." The thorough and varied training program and opportunities to advance as a member of management also impressed him.

Ken joined the Pacific Telephone and Telegraph Company at Sacramento, Cali-

fornia, in June, 1956. Two years of rotational training familiarized him with company equipment, services and commercial procedures. Then he was assigned to the Chief Statistician's Office in San Francisco.

Today, as a Staff Statistician, Ken is applying his math background to a variety of statistical studies dealing with: rates and revenue, inventory and obsolescence of equipment, customer opinion, personnel administration, quality control and auditing.

"This is a big, fast-growing business," says Ken, "and I feel I'm helping it operate more efficiently every day. That's a mighty satisfying way to put my college education to work."

Ken Murphy got his B.A. in Mathematics from the University of California's Santa Barbara College in 1956. He's one of many young men building interesting careers in the Bell Telephone Companies. There could be one for you, too. Be sure to talk it over with the Bell interviewer when he visits your campus.

Wings' Abel Confident Of Stanley Cup Victory

DETROIT (AP)—A confident Coach Sid Abel led the Red Wings out of Detroit last night for Toronto and today's fifth game of their best-of-seven Stanley Cup elimination series with the Maple Leafs.

The clubs stand 2-all in the series that will determine who will take on the Montreal Canadiens for the National Hockey League's ancient trophy. Montreal eliminated Chicago in four games, winning 2-0 Thursday night.

Fealey--

(Continued from page nine) him better at the hot corner. If Landis does play third, Bedenk plans to try Phillips in the outfield.

"Phillips impresses me," says Bedenk, "but we don't know where to put him. I can tell you this, though, he can really run and throw and he could be our power hitter. He was the long ball hitter on the freshman team last year."

Sophomores Bill Burkhardt, Don Robinson, Eric Whorral, and Ross Campbell plus varsity hold-over Bob Luff give Bedenk plenty of infield depth.

Junior Year IN NEW YORK

Washington Square College of Arts and Science offers students from all parts of the country an opportunity to broaden their educational experience by spending their

JUNIOR YEAR IN NEW YORK

This program is open to all students recommended by the dean of their college. Courses may also be taken in the School of Education and the School of Commerce.
