

Boro Council Raises Share of Wage Tax

By **BARB YUNK**

State College Borough Council last night accepted a resolution to keep the real estate tax at 15 mills, but to increase its share of the wage tax to 50 per cent. Wage tax distribution had formerly stood at 65 per cent for the State College Borough School Board and 35 per cent for the Borough.

A petition presented at the last meeting had requested Council to maintain the wage tax distribution and increase real estate millage to obtain more tax revenue.

The contract for paving of "D" and Hole Alleys was awarded to Central Paving Co. with a low bid of \$2065.55. Other bids were submitted by Herbert R. Imbt Inc. and Schreffler, Hoy and Smith Inc. Herbert R. Imbt Inc. submitted the low bid of \$14,363.60 for the extension of E. Prospect Ave. from Pine St. to the proposed University Dr. Central Paving Co. and Schreffler, Hoy and Smith Inc. also submitted bids for this project.

Council also approved the Planning Commission recommendation to replot lots on Corl St., Osmond St. and E. McCormick Ave. In most cases lot sizes will be increased by changing one and one-half lots into one lot.

In other business Council approved the sale of a \$120,000 bond issue to pay for street construction and accepted the report of the street committee. The report suggested that parking meters outside of the business district remain the same—charging five cents for one hour and 10 cents for two hours. Meters in the business district will require 10 cents for one hour with one hour limit.

Council also voted to vacate Sowers St. from Beaver Ave. to Peach Alley and Markle St. from Calder Alley to Beaver Ave.

Council appointed Sgt. W. H. Seckinger as acting chief to replace police chief John R. Juba who was stricken with a heart attack and approved the appointment of Ray Acheson as auditor.

Gridiron Banquet Reservations Due

Reservations for Sigma Delta Chi's Gridiron Banquet will be accepted until noon tomorrow.

The 23rd annual affair will be held at 6:30 p.m. Saturday, April 9, at the State College Hotel. Members of the men's professional journalism fraternity will satirize University, student and town problems in a 30-minute skit. A prominent University staff member will offer the rebuttal.

Over 75 reservations have been received. Reservations may be confirmed by phoning UN 5-5013.

IFC Committee Forms

Applications for Interfraternity Council committees are available at the HUB desk.

They must be handed in by April 23 at the IFC office, 203F HUB.

Essential in the library of every thinking person.

Assembly Opposes Alternates For Student Teacher Absentees

By **CAROL BLAKESLEE**

The SGA Cabinet last night by a narrow margin opposed having alternates for Assembly members who are student teaching.

The vote was two for and three against a bill proposed by James Kridel (C.-Soph.) and Jacqueline Myers, alternate Assemblyman. The bill asked that the SGA Constitution be amended to allow alternates to sit for Assembly members who are obliged to be off the

campus to meet academic requirements.

Kridel said he felt it was discriminatory to allow no alternates at all, since 18 to 25 per cent of the students on campus are enrolled in the College of Education.

He said, however, that those who lose their Assembly seats because of a lower average should not be allowed to have alternates.

Rules Committee Chairman Jay Hawley said that a better means of choosing alternates should be devised rather than just putting the names on the campaign poster as Kridel suggested.

3-Room Bungalow Damaged by Fire

A fire partially damaged a house in Woodcrest, about two miles from the center of town, last evening. There was no estimate of damage.

One room of the 3-room bungalow, which is owned by Walter Sherm, was completely destroyed and the other two rooms were slightly damaged.

Alpha Fire Company was summoned to the scene of the blaze at about 8:30 p.m. and fought the fire for more than one half hour. A heavy rain hampered the firemen in their work.

One of the volunteer firemen mentioned that there was considerable water damage to the interior of the home.

COMPUTERS, CAREERS and YOU... after you join Western Electric

Interested in computers, computer technology and applications? Then you should investigate Western Electric as a place to build your career. Telephony today is built around computers. The telephone cross-bar switch is basically a computer. Electronic switching gear uses computer principles.

At its new engineering research center and at most of its 23 manufacturing locations, Western is relying more and more on computers in doing its main job as manufacturing and supply unit for the Bell Telephone System. In its other major field—Defense Communications and Missile systems—the use of computers and computer technology is widespread.

You'll discover quickly that opportunities with Western Electric are promising indeed. Here company growth stands on a solid base, and your own growth, too. We estimate that engineers will find 8,000 supervisory jobs open

to them in the next ten years. There will be corresponding opportunities for career building within research and engineering. Progress is as rapid as your own individual skills permit. And Western Electric maintains both full-time all-expenses-paid graduate engineering training and tuition refund plans to help you move ahead in your chosen field.

Opportunities exist for electrical, mechanical, industrial, civil and chemical engineers, as well as in the physical sciences. For more information get your copy of *Consider a Career at Western Electric* from your Placement Officer. Or write College Relations, Room 200E, Western Electric Company, 195 Broadway, New York 7, N. Y. Be sure to arrange for a Western Electric interview when the Bell System team visits your campus.

Manufacturing locations at Chicago, Ill.; Kearny, N. J.; Baltimore, Md.; Indianapolis, Ind.; Allentown and Laureldale, Pa.; Burlington, Greensboro and Winston-Salem, N. C.; Buffalo, N. Y.; North Andover, Mass.; Lincoln and Omaha, Neb.; Kansas City, Mo.; Columbus, O.; Oklahoma City, Okla.; Engineering Research Center, Princeton, N. J.; Teletype Corp., Skokie, Ill. and Little Rock, Ark. Also W. E. distribution centers in 32 cities, installation headquarters in 16 cities. General headquarters: 195 Broadway, New York 7, N. Y.

Ever notice the lost look on the face of a fraternity man on a Sun morning following a Sat. nite blast? While delivering party pix Sun morning we couldn't help but observe this universal look of apathy from one house to another. Could this phenonema be the aftermath of conquest, frustration or merely a hangover?

Guess what Penn. University is considered to be the greatest source of new faculty for 49 other state universities?

Dep't heads seeking new positions will receive a special discount on application pix. If a \$4,000 increase will bring you up to a minimum living wage, see us for distinguished application photos. Our skilled retoucher can easily disguise your impoverished look.

Guess what L.A. Dep't has minus 47 cents to carry its open budget until July.

Concerning segregation, do you know what Penna. University practiced a modified form of it in the girls dorm until rather lately?

The winner of our trip to Puerto Rico is ——— who will be announced in Thursdays issue.

It appears that we'll be starting our fraternity composites off with Phi Ep & Chi Phi. Those preferring delivery in the Fall rather than this spring, can be photographed now, have their new members photographed in Sept. or Oct. and have their new composites hanging in October. Play It cool.
