## Lion Stickmen Rip Loyola; Penn Netmen Beat Lose Kane for Navy Tilt

By DEAN BILLICK

Penn State's 8-2 lacrosse victory over Loyola Saturday might be their costliest win of the year. For the Lions lost the services of veteran attackman Jim Kane for their all important tilt with Navy to-

Kane, who leads the attack, suffered a twisted cartilege in the second period and will be unable to play for at least a week. Senior Hank Schilling will step into Kane's place.

The Lions' relatively easy win over the Greyhounds came as a pleasant surprise to Coach Earnie Baer who predicted that his team would be just as strong as his sophomores.

And his sophs came through in convincing manner with Gordon Bennett and Lou Meier accounting for five of the eight Lion goals and sophomore goalie Jim Irwin playing a strong defensive game, making 13 saves and allowing only two scores.

Coach Baer said his team's outstanding defensive play was the hit Nittanies.

Although Baer was happy with his team's defensive play he added a note of caution. "If we hope to win at Navy we must have more backing up on the defense. Our checking and blocking was rugged but against Navy we will have to be at our peak."

While the defense was holding Loyola to 15 shots, the offense kept the Greyhounds busy. Loy-

State then hit a dry spell and Bill Lamar tallied for Loyola at when the Lions were short handed with their opponents and scored

For a couple of hours Saturday it looked like Penn State's tennis team would finally break Penn's 17-season jinx. But when the matches were over it was the same old story and Penn left the Jordan courts with a 51/2-31/2 victory.

Wins by Jim Baker, captain Jerry Carp and Johnny Blanck gave the Lions an even split in the singles, but Penn's superior dou-bles strength was the deciding factor.

Baker was particularly im-pressive in a marathon match with Penn's steady veteran, Kenny Lehman.

The first set was all Baker. The flashy soph backed Lehman up with a booming service and some antastic recovery shots to take the set, 6-2.

Baker started fast in the second set and was only one game away from an easy victory when Lehman started clicking with some tantalizing baseline shots. His shots completely rattled Baker and

Baker continued his strong but erratic play in the third in the third and deciding set. Time and time again he broke through Lehman's soft service only to lose his own.

The third set went down to the 24th game before Baker was able to hold service and take the set
