

'A Whiff of Spring'

Naiads to Present Annual Aquacade

By ANN PALMER

Once again students will have a chance to view the Synchronized Swim Club's annual Aquacade entitled "A Whiff of Spring," to be presented at 8 tonight, tomorrow and Saturday in the White Hall pool.

The club consists of Naiads, an advanced and skilled swimming group, and the Swim Interest group, a hard-working but not as skilled ensemble.

The choreographers have planned numbers to reflect the mood of such exotic perfumes as "Tabu" and "My Sin," using varied effects with light, costumes and music.

"A Whiff of Spring," sponsored by the Women's Recreation Association, will include the following numbers: "Tigress" arranged and directed by Jean Millin and Marilyn Sauer, "Woodhug" by Lynne Lafferty, "Escapade" by Patricia Kavanaugh; "Hypnotique" by Susan Smithson; "Phew" by Polly Mitten; "I Love Paris" by Judith Kahn, "Primitive" by Brooke Minnich, and "Flambeau" by Gwendolyn McAlister.

In addition to these large numbers, there will be several small group performances. "Lotus" will be performed by Jean Mellin, June Miller and Judith Kahn; "Reflections" will be given by Susan Smithson and Polly Mitten; and "Ondine" will be performed by Suzanne Dinsmore.

Free tickets may be obtained from any member of the Swim Club.

"WOODHUE" GIRLS. Here is a representation of one of the many novel numbers to be performed in "A Whiff of Spring," the annual WRA Aquacade to be held at 8 tonight, tomorrow and Saturday in the White Hall pool.

Choirs to Sing 'Stabat Mater'

The Meditation Chorus, composed of 118 members, will present the "Stabat Mater" by Antonio Caldara at the special Lenten service 4:15 p.m. today in the Helen Eakin Eisenhower Chapel.

James W. Beach, assistant director of the Chapel Chorus, will conduct the chorus.

The solo parts will be sung by Gale C. Leister, junior in music education from State College, soprano; Gail A. Wett, sophomore in education from Drexel Hill, contralto; Samuel S. Gordon, junior in music education from Claysburg, tenor; and Harry D. Geiber, junior in arts and letters from York, baritone.

Larry W. Handwerk, freshman in chemistry from Merchantville, N.J., will be the organist. He will play "Nun Bitten Wit" by Buxtehude, "Glorificamus" by Redford, "O Mensch, Bewein' Dem Sunde Gross" and "Christ Ist Erstanden" by Bach.

5 from DOC Staff To Read Papers

Five members of the staff of the Division of Counseling will present papers at the national meeting of the American Personnel and Guidance Association in Philadelphia, April 11 to 13.

Dr. Donald H. Ford, director of the division, will speak on "Changing Individual Behavior Through Group Counseling."

Dr. Hugh B. Urban will present a paper titled, "Generality vs. Specificity in Reactions to Frustration on the Rosenzweig Study," while Dr. Harvey W. Wall will present a paper, "Counseling Students by Counseling Parents."

Dr. Norman S. Endler and Robert R. Grooms will present a paper, "Effects of Anxiety upon Academic Achievement, a Preliminary Study."

HISTORY ROUND TABLE

Tonight 7:30
111 Boucke

Program:
African Views and Vignettes
a talk by
Dr. Herbert Heaton

Eng Council Appoints Moore to Committee

Frank B. Moore, assistant professor of engineering, has been appointed a member of the Region II Accrediting Committee of the Engineers' Council for Professional Development.

He will assist in reviewing technical institute curriculums at West Virginia Institute of Technology, Montgomery, W.Va., today.

Hassler Delivers Talk On General McClellan

Dr. Warren W. Hassler, assistant professor of American history, recently addressed the faculty and students of St. Francis College, Loretto, as one of the speakers in a series of annual historical addresses.

His subject was "General George B. McClellan: A Study in Civil-Military Relations, 1861-1862."

HUB to Feature 'New Talent' Art

Twenty-nine artists, craftsmen and photographers are represented in an exhibition titled "New Talent in the USA, 1960," which will open tomorrow at the Hetzel Union art gallery.

A summary of current movements as expressed in the work of men and women who have not yet achieved wide recognition, the exhibition is based on the seventh in a series of new talents presentations featured in "Art in America" magazine.

The exhibition is being circulated to museums, universities and galleries throughout the country under the auspices of the American Federation of Arts.

Workshop to Air Air Base Problem

Air Force base living will be discussed at the second meeting of the Blue Yonder Workshop 7 p.m. tonight in 214 Hetzel Union Building.

The workshop is sponsored by the Angel Flight of the Arnold Air Society.

Topics will include facilities on a base, first duty station, housing and job opportunities.

Participants will be Capt. Norman M. Winter, assistant professor of air science and Mrs. Clyde R. Cloar, Mrs. Glen A. Hellenga and Mrs. William K. Rudewick, all wives of air science instructors.

YOU CAN'T BUY ANY CAR FOR LESS... UNLESS IT'S A LOT LESS CAR!

There's no secret about it—Chevrolet can give you more basic comforts and conveniences because it makes more cars and builds them more efficiently. As a matter of fact, if other low-priced cars gave you what Chevy does, they couldn't afford to be low priced. But see for yourself what we mean.

You have more ways to GO in Chevy with 24 engine-transmission combinations to choose from—more than any other car in the industry. You also get hydraulic valve lifters in all popular engines—another Chevy exclusive that hushes noise to a murmur and prolongs valve life. Fuel economy? The new Economy V8 gets up to 10%

more miles on every gallon and Chevy's Hi-Thrift 6 is famous for the way it skimps on gas. Credit Full Coil suspension for the unruffled ride—only Chevy among the leading low-priced three has the friction-free cushioning of coil springs in the rear. Try it for yourself soon—say, tomorrow.
