

# Lions Face Tough Engineers In Tennis, Golf Meets Today

Penn State's golf and tennis teams will face some rough competition this afternoon when Lehigh comes to University Park for meets with the Lions. The tennis meet will start at 2 on the Nittany courts while the golf match will start at 1.

Coach Joe Boyle's linksmen have a 4-3 record after losing to Penn in their last outing, 5-2. Penn beat the Engineers 6-1, earlier in the season.

The Lions topped Lehigh last year, 6-1, but expect a tough battle from the Engineers, who boast a squad of veterans.

Captain Dick Burgoon will lead off for the Lions against Lehigh's captain and number one man Stu Illife.

Tony Garro, Girard Pisauero, Steve Bentley, Jim Farber and Sylvester Gardiner should see action for the Engineers in this afternoon's meet.

Following Burgoon in the Nittany lineup will be senior Bob Devine, a long belter playing his first season for the linksmen.

Other probable starters for the Lions are little Roy Altman, junior Bob Rutherford and veterans Haydn Thomas, John Morton and Ed Kormos. Sophomore Bob Swahn has won both of the

matches he has played this year and may break into the starting lineup against the Engineers.

The dual meet today will be the last tuneup the Lions will have for the Eastern Championships to be held in Pittsburgh, May 7-9.

The Lion netters face an Engineer squad that has its top players back from last year's team that had a 10-2 record.

Engineer coach Gerry Leeman has one of the best players in the East in Lowell Latshaw, but Latshaw is only part of the story. Leeman also has a flock of lettermen and some top-notch sophomores.

Latshaw was the Eastern Intercollegiate champ in 1958 and teamed up with Tom Earl to win the doubles crown. Last year the same duo won the Middle Atlantic Conference doubles championship and Latshaw was the singles finalist.

Behind Latshaw and Earl, Leeman can call on junior veteran Chuck Hodge, Bill Kohut, Stirling Rust and sophomore Ron Groff and Jose Celis.

Sophomore Jim Baker retains his number one slot in the Lion lineup and will face Latshaw, who has never been beaten in dual meet competition.

Lion coach Sherm Fogg has given the second spot to junior

Dick Ludwig, who looked good in a winning effort against Bucknell.

Captain Jerry Carp is in the third spot for the Nittanians followed by Johnny Blanck.

Fogg is undecided on who will start in the last two spots in the lineup, but likely candidates are Vance Rea and Don McCartney.

## Sword Dancer Returns To Run In Grey Lag

NEW YORK (AP)—The Brookmeade Stable's Sword Dancer, 1959 horse of the year but a bust last winter in Florida, returns to action today against C. T. Chenery's First Landing and nine others in the \$60,000-added Grey Lag Handicap at Aqueduct.

It was at Aqueduct last fall where Sword Dancer beat Hillsdale and Round Table in the \$100,000 Woodward Stakes for his championship claim. But Sword Dancer ran poorly in two \$100,000 Florida races, the Widener and Gulfstream Park handicaps.

First Landing, top 2-year-old of 1958, meanwhile won the \$166,490 Santa Anita Maturity and then recently copped the \$70,300 Laurel Maturity. Sword Dancer has top weight of 126 pounds, First Landing 124 in the 1 1/8 mile race.

# Continental League Must Meet Requirements—Frick

NEW YORK (AP)—Baseball Commissioner Ford Frick yesterday hailed New York's proposed new stadium as progress for the Continental League but pointed out that 10 basic requirements must be met by the league to gain major league status.

"We outlined 10 requirements at our meeting in Columbus last May," said Frick. "The majors declared they would favorably consider an application by a group which could qualify. To me that was a pretty definite commitment."

"The rest is up to the Continental League. It is up to them to meet the requirements. When they think they are ready I will be glad to meet with them. In fact, I am here, ready to meet with them at any time."

One of the 10 requirements is that the league shall file for major league status at least six months before the meeting at which its application must be considered and at least 10 months before the opening of its season.

As the Continental League already has set April, 1961 as its opening date, that would mean

that it must file application by June, 1960. If it desires to be accepted into organized baseball in time for the annual draft meetings in late November or early December it would have to file by late May or early June to come within the six-month limit.

The new league also must acquire the minor league territory in which it plans to operate; file complete data on all stockholders; have ball parks with a minimum capacity of 25,000; adopt the major league minimum salary and uniform player contract and join the present player pension plan or adopt a comparable plan.

## Smith, Green to Meet In Amateur Golf Finals

PINEHURST, N.C. (AP)—Charles Smith and Peter Green, two masterful putters, yesterday stroked their way into the finals of the North and South Amateur Golf Tournament.

Smith, 29-year-old Gastonia, N.C., automobile dealer, birdied four of the last five holes for a 20-hole victory over Glenn Johnson of Grosse Ile, Mich.

Green, 19-year-old University of North Carolina sophomore from Franklin, Mich., upset Dr. Edward Updegraff of Tucson, Ariz., 1-up. Green knocked in a 16-foot birdie putt on the last hole to protect his slender lead. The championship final today will be over 36 holes starting at 9:30 a.m. (EST).

# Lawrence Wins In Drake Meet

DES MOINES, Iowa (AP)—Houston's Al Lawrence, already qualified as an Australian Olympic contender, ran away with the two-mile title yesterday as the 51st Drake Relays opened in a dreary, damp setting.

Lawrence, 28-year-old sophomore, strode to a 130-yard victory in the first major event of the two-day Drake show which reached a climax today with a special AAU shotput showdown between Parry O'Brien, Bill Nieder and Dave Davis.

Lawrence, last fall's NCAA and National AAU cross country champion, jogged the two-mile distance Friday in a modest 8 minutes, 57.4 seconds, well behind the Drake mark of 8:51.3.

A crowd of 8,500 sat through a drizzle in 57-degree temperatures as seven major events were contested and preliminaries were held in six events.

Kansas won a thrilling victory over defending champion Illinois in the university sprint medley relay. On the 880-yard anchor lap, Kansas' Bob Tague overtook Illinois' George Kerr, 1959 NCAA half-mile champion, 30 yards from the finish and won by a stride.

Kansas' quartet of Cliff Cushman, Paul Williams and Charlie Tidwell, was clocked in 3:22.1.

The college sprint medley relay title went to East Texas State.

## Denver, Boston to Open AFL Grid Campaign

DENVER (AP)—Denver and Boston will launch play in the new American Football League with the teams meeting at Boston Sept. 9 or the following day.

This was announced as the AFL Executive Committee opened a meeting here.

**DON'T LET THE MONTH OF JUNE COME TOO SOON**

**It's an important month for you...and for IBM**

June may mark the start of a career of rapid advancement for you with IBM. We need ambitious college graduates, with good scholastic records, for careers in direct and indirect marketing, applied science, programming, systems, and other areas. We've been expanding rapidly... and we promote from within.

Whether you're majoring in engineering, science, math, business administration, or liberal arts, you should know about IBM and what we have to offer.

See your Placement Officer for more information. If we have already interviewed on this campus, and you did not get to see us, please write or call:
