Pamphlet Charges Lion's Paw Has Administrative OK

By JERRIE MARKOS
See Editorial, Page 4

A pamphlet called Lion's Paw at Penn State which charges that members of Lion's Paw may exert influence on student government and that the group has the "seeming" approval of the administration has been circulated among several members of the administration.

The pamphlet contains references to alleged instances of

Lion's Paw influential activities and the alleged Lion's Paw minutes for the years 1952-54. The minutes, it says, were transcribed and copied by I. B. Sinclair, a 1956 graduate and now a Philadelphia lawyer.

John Brandt, Campus Party clique chairman; David Byers, former alternate assemblyman; Alan Elms, Froth editor; and Harold Sandstrom, former AIM president, prepared and distributed the pamphlet.

Frank Pearson, former University party chairman, and member of the accused 1959-60 Lion's Paw said, "The charges in the pamphlet are backed by inferences omitting pertinent facts."

Dr. Robert G. Bernreuter, special assistant to the president for student affairs, was given a copy of the pamphlet by Brandt. As far as the activities of Lion's Paw were concerned, Bernreuter said he was not a member of the organization and knew nothing about it.

When asked whether or not there was an objection to the pamphlet, Bernreuter said, "Who in the administration is going to object to mild statements made by the losing campus politicians."

"Kids who are successful brag about contacts and like to think of themselves as big shots," was the way Bernreuter described the possible origin of the idea that Lion's Paw had administration approval.

When asked if he thought there

Encampment Topics Will Include SGA

Community living and student government will be two of the topics for the 1960 Student Encampment, Robert Umstead, encampment committee chairman, told the SGA Cabinet last night.

Three other topics have been decided upon by the committee for encampment which will be held Sept. 7, 8 and 9 at Mont Alto. They are academic affairs, judicial and communications. The latter topic will deal, in part, with the Commonwealth campuses.

Umstead asked Cabinet to suggest a sixth topic and after discussion, it recommended expansion and student welfare.

Each September, student leaders meet with faculty members at the encampment to discuss problems which have been or may be current on campus. The reports from encampment are often guides to the various campus organizations in their decisions on the various problems.

In other business, Richard Haber, SGA president, told Cabinet that he will meet with President Eric A. Walker this afternoon to discuss the SGA proposal to the problem of irregularly meeting classes. Monday night SGA proposed the shortening of the Christmas vacation as a solution.

It was also announced at Cabinet that Robert Harrison, (U.-Jr.) will chair the SGA Committee on Academic Affairs.

Fair Skies Remain

Beautiful spring weather will continue today, tonight and tomorrow.

Daytime readings will be in the easy-to-take 70's and nighttime temperatures should be in the pleasantly cool 50's.

Today will be partly cloudy, breezy and warm with a high temperature of 76 degrees. Clear and cool weather is in prospect for tonight with an expected low of 52 degrees.

Sunny and slightly warmer temperatures are due tomorrow. The high will be about 80 degrees.

TDX, Tri-Sigma Take Top Award

MISS PENN STATE, 1960—Connie Adler is crowned by her sorority sister Jody Miller, Miss Penn State, 1959.

Shouts, Roars Greet Awards Presentation

By BEV CADES

Shouts, roars, and squeals of delight resounded in the HUB ballroom and from the HUB terrace last night as the 1960 Spring Week festivities drew to a climatic close.

Fraternity, sorority, and independent participants cheered as their groups received the coveted Spring Week trophies.

15 Bats Add Horror To Dracula Movie

Students attending the movie "Horrors of Dracula" at the Hetzel Union assembly hall Sunday night were treated to an added attraction when 15 bats, carried into the movie in a box, were let loose soon after the movie started.

Only a minor disturbance resulted from the bats. In fact many students thought the effect had been added by the Hetzel Union management.

Present plans call for one junior resident for each 50 women. Sorority women will be used as junior residents for their own sororities, she explained. Plans do not call for moving outsiders into the suites, she said.

The junior residents will be treated like regular members of the dean of women's staff, she explained. They will have duties in four major areas, she said.

- Liason between the dean of women's staff and the students.
- Programming.

- Referral system—This would involve identifying women who need help in some way and calling this to the attention of the resident graduate student who will pass the case up the line to the person best qualified to help the girl, she explained.
- Aiding the graduate students in such matters as keeping records and personnel files.

Place in Parade and Carnival

Theta Delta Chi and Sigma Sigma Sigma placed first in the nursery rhyme division in the float parade and second in legends at the carnival to take the over-all 1960 Spring Week Trophy.

Constance Adler, Kappa Kappa Gamma and Alpha Sigma Phi, was crowned Miss Penn State. Susan Rich, Kappa Kappa Gamma and Alpha Sigma Phi, and Anthony Wayne, Delta Upsilon, won the Queen of Hearts and He-Man titles.

Theta Chi and Phi Mu placed first in children's stories at the carnival. Beta Theta Pi and Chi Omega placed second and Pi Kappa Alpha and Delta Zeta placed third.

In the nursery rhymes division Phi Kappa Theta and Theta Phi Alpha were first with Tau Kappa Epsilon and Zeta Tau Alpha and Chi Phi and Alpha Xi Delta placing second and third.

Alpha Sigma Phi and Kappa Kappa Gamma won the first place trophy in the legends division. Theta Delta Chi and Sigma Sigma Sigma placed second and Phi Kappa Tau and Alpha Phi were third.

In the new division of games Phi Mu Delta was first. Phi Sigma Delta and Alpha Epsilon Phi second and Delta Upsilon third.

Delta Sigma Phi and Delta Delta Delta won first place in children's stories in the float parade. Beta Theta Pi and Chi Omega placed second while Pi Kappa Alpha and Delta Zeta were third.

First place trophy for nursery rhymes was won by Theta Delta Chi and Sigma Sigma Sigma. Alpha Gamma Rho and Gamma Phi Beta were second and Tau Kappa Epsilon and Zeta Tau Alpha were third.

Delta Chi and Lyons-Haller placed first in legends while Phi Sigma Kappa and Alpha Delta Pi placed second. Phi Kappa Tau and Alpha Phi were third.

The members of the queen's court are: Jeanne Averill, Alpha Chi Omega and Beta Sigma Rho; Lynne Crothers, Alpha Xi Delta and Chi Phi; Bonnie Gustafson, Pi Beta Phi and Sigma Pi; and Maxine Miller, Delta Delta Delta and Delta Sigma Phi.

In addition to Susan Rich, the next four who placed for the Queen of Hearts title were: Brooke Minnich, AIM; Polly Mitten, Alpha Omicron Pi and Phi Kappa Psi; Patricia Couch, Delta

Blaze Damages Black Top Plant

A fire broke out at 1 p.m. yesterday at the Nittany Materials and Black Top Paving Company, Oak Hall Plant.

The Boalsburg Fire Company arrived on the scene within five minutes and had the blaze under control by 1:15 p.m.

Herbert Imbt, owner of the plant, said that he supposed that the \$2000 blaze was caused by men smoking while cleaning a tack wagon near the large tanks containing tar and fuel oil.

Firemen pumped water to fight the blaze from the nearby Spring Creek.

Ellis Gives Coed Orientation Plans

By PAT DYER

See related story, Page 2

Women's orientation will continue next year on a basis similar to that of previous years, Marianne Ellis, chairman of the freshmen women's orientation program said yesterday following a two-hour meeting with Dean of Women Dorothy J. Lipp and men's orientation chairman James Eitelson.

The women's program, though it will incorporate several changes suggested by the dean of women, will definitely last more than one week as previously announced, she said.

Plans to limit orientation counseling to one week had previously been announced by the dean of women's office due to possible difficulties in finding enough "top students" to fill both these posts

and the proposed junior resident program positions, Miss Lipp explained yesterday.

However, she said, Miss Ellis had convinced her that enough capable women who would be willing to fill both posts could be found. Therefore it was decided to continue the orientation program for as long as necessary, she said.

The orientation counselors will be doing more group work next year, Dean Lipp said, especially in areas like academic problems, religious programs, panhellenic affairs and student government. Workshops in certain areas may be planned, she added.

The continuation of the orientation program is quite compatible with the junior resident program, Dean Lipp said. This is the system of student counselors planned to fit in directly below the resident graduate students in next year's staffing of women's residence halls.
