

Nixon Shows Lead In Indiana Primary

INDIANAPOLIS, Ind. (AP) — Leaders of both parties found cheer yesterday in returns from Indiana's presidential primary, which showed Vice President Richard M. Nixon outpolling Sen. John F. Kennedy (D.-Mass.), while Democrats piled up a bigger total vote than Republicans.

Nixon's plurality over Kennedy was more than 50,000 on nearly complete returns. 400,291 to 350,190 in 4284 of 4299 precincts. The Republican total, however, was 34 precincts short in heavily Democratic Lake County because of a tallying mixup.

The presidential vote for all candidates was 433,957 for Democrats to 418,039 for Republicans.

Kennedy had two minor opponents who were much stronger than expected, apparently reflecting votes of Democrats who favor other candidates for the presidential nomination.

Nixon's lone opponent drew less than half the votes of the weaker of Kennedy's challengers.

The Democratic tally showed 43,285 for political unknown John H. Latham, retired Rockville, Ind., pipeline worker, and 40,482 for Lar Daly, Chicago furniture jobber who campaigns in an Uncle Sam costume.

Nixon's opposition, Indianapolis Negro lawyer Frank R. Beckwith, came up with 17,748.

The results gave the Democrats 50.9 per cent of the presidential votes cast, while Nixon got 53.3 per cent of the ballots cast for him and Kennedy.

In other contests the state's eight Democrats and three Republican congressman all won re-nomination, including Rep. Randall S. Harmon (D-Ind) in the 10th District. Harmon, who won fame by drawing government rent for using his front porch as his home town office in Muncie, benefited from eight Democratic opponents who divided his opposition.

LONDON (AP) — Radio Moscow last night announced a widespread Soviet government shake-up. It dropped Frol Kozlov as a first deputy premier and removed Alexei I. Kirichenko from the Soviet Communist party presidium.

Another change released Ekaterina Furtseva, top woman in the Communist hierarchy, from her duties as a Central Committee secretary because, said Moscow, of her appointment as minister of culture of the Soviet Union.

Also dropped from the party Presidium was Nikolai Belyaev, who most recently has been running the city Communist organization of Stavropol.

WASHINGTON (AP) — The Eisenhower administration sent the Democratic-controlled Congress a proposal yesterday for a \$1,200,000,000 annual federal-state medical program for the aged.

First reaction ranged from cool to hostile among Democrats.
