**JUST HOW FAR OUT ARE YOU?**

TEST YOURSELF!

Take a look at this ink blot. Dehibit yourself. What do you see? If you see your last blind date in it, we sympathize. Because it looks like a lobster to us. Of course we're crazy about lobsters, but we don't like to take them out. What we do like to take out are L&M filter cigarettes. They're the ones with flavor. Fact is, L&M has found the secret that unlocks flavor in a filter cigarette. So fine tobaccos can be blended not to suit a filter but to suit your taste. We just mention this. If we didn't, who would?

Reach for flavor . . . Reach for L&M
