

# Lion's Den To Close June 3-13

The Lion's Den in the Hetzel Union Building will close at midnight June 3 for repairs and will reopen at 7 a.m. on June 13, Miss Jane E. Griswold, supervisor of feeding operation for food service, said yesterday.

The main repairs will consist of putting in a new ceiling in the kitchen area. This will not involve the Lion's Den directly but no food can be prepared for the snack bar while these operational repairs are being made, Miss Griswold said.

During the summer food service in the Lion's Den will be different from other years, because there will be both counter service and vending machine service, Miss Griswold said. This set-up will help to provide more snack bar service and will help to diminish the length of the Terrace Room cafeteria line, she said.

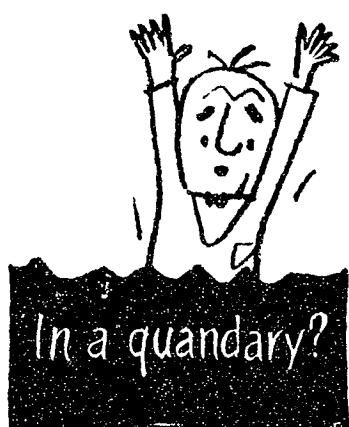

The hours for the snack bar will be 7 a.m. to 2 p.m. Monday through Friday for counter service, and from 7 a.m. to 10 p.m. daily vending machines will be available. There will be no counter service on Saturdays and Sundays, Miss Griswold said.

Operating similarly to the Lion's Den will be the Pollock snack bar located in the Pollock dining hall which "we hope will open in September," she said. The Pollock snack bar will have limited counter service which will be augmented by vending machines.

## Charter Suspended--

(Continued from page one) the suspension lifted is Oct. 10. The house must be able to present evidences of a constructive program, showing that they are able "to assume the responsibility of the role of a fraternity on cam-

pus," Simes said. illegally served with alcoholic beverages at the Delt house. The earliest date the group may appeal to the committee to have

In a quandary?

Can't decide what business would suit you best?

Maybe you should look into the possibilities offered by a life insurance sales career. Among its many advantages are the freedom of being in business for yourself, and no ceiling on your earnings.

The head of our campus unit will be glad to fill you in on the details.

DUAL FILTER

Filters for flavor as no single filter can

HERE'S HOW THE DUAL FILTER DOES IT:  
1. It combines a unique inner filter of ACTIVATED CHARCOAL ... definitely proved to make the smoke of a cigarette mild and smooth ...  
2. with a pure white outer filter. Together they select and balance the flavor elements in the smoke. Tareyton's flavor-balance gives you the best taste of the best tobaccos.
