

Town Swimming Pool Available for Student Use

When the road to Whipples seems a bit too long for just a "quick dip," hard-working summer sessioners may find State College's new Community Swimming Pool provides an answer.

The pool, completed in July, 1959, is open to swimmers of all ages and is located on Westerly Parkway across from the senior high school. It can be reached by Sparks St. or Atherton St., Route 322. Parking is available in the high school lot.

The admission price for students 18 and over is 75 cents. Season tickets are \$9. Tickets for swimmers, age 6 to 17 are 35 cents and season tickets are \$6. Wading pool admission is 20 cents with season tickets at \$3.

Pool hours are 10 a.m. to 8:30 p.m. Monday through Saturday and 1 to 8:30 p.m. Sunday. Suggested hours for University students are 10 a.m. to noon and 5 to 7 p.m. when the pool is less crowded. However, students are welcome at any time.

Refreshments are on sale at

concession stands but no bath-house facilities are provided.

The pool is available for private parties in the evenings at the cost of \$25 for up to 25 persons. Additional guests are \$1 per head with children at 50 cents per head. Costs include exclusive use of the pool from 9 to 10:30 p.m. and lifeguard service.

Arrangements for private parties may be made by contacting William Gutteron, pool manager, at AD 7-3964. In case of inclement weather parties may be rescheduled at no additional cost.

The L-shaped pool is 110 ft. long and 50 ft. wide in the main swimming area with a diving area 45 ft. square. Diving boards are 1 meter and 3 meters high. Lifeguards are on duty at the main swimming area, diving well and wading pool at all times.

Representatives To Assist Vets

A Contact Representative of the Veterans Administration will visit State College tomorrow between the hours of 10 a.m. and 3:15 p.m., according to George E. Fox, Jr., Officer-in-Charge of the VA office at Williamsport. These visits will be made on the last Wednesday of each month.

The representative will be in Room 3B Old Main to assist veterans and their dependents in applying for any benefits currently being administered by the VA. These benefits include disability compensation for service-incurred disease or injury; pensions for veterans who are totally disabled as a result of a disability not connected with their service; and application for, conversion of, or change of beneficiaries on GI insurance. Home loan matters, schooling and on-the-job training, medical and dental care, hospitalization, widows' pension or any other benefit currently in effect for all veterans and their dependents can also be discussed with the representative.

Mr. Fox suggests that veterans or their dependents living in the State College area take advantage of this service.

Reading Seminar Opens This Week

"A Look Ahead" is the theme of the 22nd Annual Reading Conference which started yesterday and continues till Friday.

The conference consists primarily of lectures about and discussions of new solutions to the problems involved in the teaching of reading.

According to Dr. Lyman D. Hunt, associate professor of education and director of the conference, added stimuli are being provided through the use of small discussion groups and exhibits throughout the week-long program.

Among the lecturers this year are Lois Lenski and Inez Hogan, both authors of books for children; Roma Gans, director emerita of Columbia University; and published William R. Scott.

About 250 public school teachers and administrators are attending the conference.

Homemakers Become 'Coeds'

Homemakers from 53 counties became "coeds" as they trotted off to make their 9:30 classes on time today. These women are attending the 8th Annual Extension Homemakers Week June 27-30.

Several extension homemaker scholarships will be awarded to ex-4H upperclasswomen enrolled in home economics at the University and several other Pennsylvania schools at a banquet Wednesday night in the Hetzel Union ballroom.

Herbert R. Albrecht, director of the Agricultural and Home Economics Extension Service, and Miriam E. Lowenberg, professor of foods and nutrition, will speak at a general session in Schwab at 8:30 tonight.

Allegheny County with 80 delegates has the largest group present at the conference.

Co-chairmen for the conference are Lydia Tarrant, extension leader, and Ann Nygaard, assistant extension leader.

Engineering Prof to Act As Consultant in Mexico

George L. Thuring, professor of industrial engineering, will serve as a consultant to the Mexican Industrial Productivity Center in Mexico City until August 7.

Thuring will advise Mexican instructors who teach industrial engineering courses in Mexican universities. He will work with them on practices and techniques with heavy emphasis on statistical quality control.

Thuring also will work with industrial engineers who are employed by Mexican industries.

Lowenberg Named Honorary Doctor

Dr. Miriam E. Lowenberg, professor and head of the department of foods and nutrition in the College of Home Economics at the University, received an honorary doctor of science degree during June commencement exercises at Hood College in Frederick, Md.

In June 1958, during Centennial Alumni Days at Ames, Iowa, Dr. Lowenberg received the Alumni Merit Award from the Chicago Alumni Association of Iowa State College, "in recognition of pre-eminent service in advancing human welfare."

In June, 1959, Dr. Lowenberg received a citation from Alpha Gamma Delta sorority for "outstanding leadership in education."
