

# Delta Upsilon Wins Intramural Trophy

Delta Upsilon, capturing the championship in four sports, won the fraternity All-Point Intramural Trophy for the second straight year.

DU accumulated 1242 points in the 17 intramural tournaments conducted throughout the 1959-60 school year to far outdistance all rivals.

Tau Kappa Epsilon finished second almost 400 points behind with an 877 total. Rounding out the top six were Beta Theta Pi, 853; Alpha Chi Rho, 782; Lambda Chi Alpha, 657; and Acacia, 640.

Fifty-two fraternities competed for the trophy.

DU garnered points in each of the 17 sports on its way to the title. They won the football and volleyball crowns among the team sports and took the wrestling and boxing laurels in the individual sports.

Clarence "Dutch" Sykes, who directs Penn State's intramural program which is one of the largest in the country, called the champions "a spirited bunch." The key to their title was "the piling up of points with the thirds and fourths, and the participation of every man," he said.

Individual winners adding to the DU point total were Robert Greenleaf, 128-pound boxing champ; Robert Alman, 128-pound wrestling titlist; and Robert Simons, 150-pound mat winner.

Runner-up TKE took the handball singles and doubles titles and the soccer crown.

Sigma Alpha Epsilon and Phi Epsilon Pi each won two trophies. SAE took the golf (medal) and tennis singles while Phi Ep captured the badminton and tennis doubles tournaments.

The winners in other sports were Beta, swimming; Alpha Phi Alpha, basketball; Delta Chi, bowling; Alpha Gamma Rho, horseshoes; Omega Psi Phi, track; and Lambda Chi Alpha, golf (team).

The other fraternities in the top

20 in order of finish were Phi Ep, SAE, Phi Mu Delta, Alpha Sigma Phi, Sigma Nu, Phi Delta Theta, Phi Sigma Delta, Theta Delta Chi, Delta Chi, Alpha Zeta, Beta Sigma Rho, Chi Phi, Delta Tau Delta and Sigma Phi Epsilon.

## 1960 Lacrosse Team Gets Varsity Letters

Varsity letters were awarded to 17 members of the 1960 Lion lacrosse team.

The lettermen are Dick Bullock, John Castella, Henry Schilling, and Ted Steinman, all of Philadelphia; Dave Erwin, Merion; Dick Janda, Huntingdon Valley; Andy Lockhart, Ridley Park; Mike Raiser, Wynnewood.

Andy Moconyi, Bethlehem; Tom Greenlee, Waynesburg; Dick Hinkel, Homestead; Dick Hammond, Wilmington, Del.; Gordon Bennett and Jim Kane, both of Towson, Md.; Jim Irwin, Dayton, Ohio; Louis Meier, Lynnbrook, N.Y.; and Dick Swenson, Mineola, N.Y.

Steel men say Penn State's new Beaver Stadium (seating capacity 44,000) is the largest all-steel stadium in the country, and probably in the world.

## Players Vote 2 All-Star Games

NEW YORK (AP) — Players on major league teams have voted, 12 clubs to 4, for two All-Star baseball games next year, The Associated Press learned yesterday.

The players suggested that the first be played in San Francisco on Tuesday, July 11, and the second in Boston on Tuesday, Aug. 8.

Two such games were played both this year and last but there was considerable criticism from players, officials and fans this year when the two were played in three days — July 11 at Kansas City and July 13 in New York.

## 12 Olympic Hoop Teams Enter Without Qualifying

BOLOGNA, Italy (AP) — The U.S. basketball team and 11 others have been placed in final Olympic competitions without preliminary qualifying, an official of the Italian Basketball Federation said yesterday.

Others in the final pool with the Americans, winners of the title at Melbourne, are: Italy, Japan, Puerto Rico, Mexico, Russia, Uruguay, France, Bulgaria, Brazil, the Philippines and Chile.

All other basketball entrants will compete in a preliminary tournament here Aug. 13-18 with the four semifinalists becoming eligible for the Rome games.

He'll have more power than you ever dreamed of, Dad!

When he's a man, he'll use four times the power you have today—electric power, in great abundance and still at a low price.

That's why hundreds of independent electric companies, like yours, are working now to double the power they supply America in the next ten years. And they plan to redouble it in the ten after that.

Already, Americans use more electricity than the next six countries put together. One of the reasons is that the job of supplying most of our nation's power is in the hands of people and businesses—rather than governments, as in most of the world.

Yet certain people want to change this American system. They keep urging our government to spend billions more of your tax dollars—quite unnecessarily—to get farther into the electric business. You have paid a share of the \$5,000,000,000 of tax money spent on this so-called "public power" already.

This needless federal spending can be curbed—when enough people know what's going on. Make sure that your friends and neighbors have the facts. That will help.
