

Frosh to Begin Customs on Saturday

Customs, the rule which freshmen live by, will begin next Saturday at the first home football game.

All frosh, unless excused by the Freshmen Customs Board, will be required to wear dinks and name cards outside the residence halls and in the dining rooms.

"Button, Frosh" or "Curtsy, Frosh" will become familiar commands to the newly arrived class of '64 as they walk through campus. If they happen to tread on the east side of the Mall or the diagonal walks in front of Old Main, they must say hello to everyone they pass.

Imaginary "Keep Off the Grass" signs have been purchased by the University and will be visible only to upperclassmen. Freshmen who forget and walk on the grass are likely to receive polite admonishments from others who can see the signs.

Penn State songs and cheers will resound through the campus as upperclassmen make sure that frosh are prepared for the fall football season. Some remarkable voices have been discovered this way. Rumor even has it that theatrical agents roam Pollock Rd. in search of talent.

The Old Willow, really a petrified Penn Stater from 1865, must be bowed and curtsied to by all the Frosh. This tree is located on the east side of the mall—the only side freshmen are permitted on. The west side is strictly taboo and any frosh who dares to use it may become Old Willow, Jr., by next year.

Another illegal walk is Senior Walk, which is the sidewalk along College avenue from Pugh St. gate to the Allen St. gate. The Customs Board has also thoughtfully made the wall beside the sidewalk forbidden territory.

Throughout customs freshmen must carry the Student Handbook or "Freshman Bible." It is a little known fact that the golden rule of the bible is: Upperclassmen may do unto freshmen, as they wish.

Pulp Company Renews Forestry Scholarships

The Glattfelder Pulp Wood Co., Gettysburg, has renewed its support of two scholarships in the School of Forestry.

The scholarships, which have been renewed each year since they were established in 1955, provide \$500 annually for each of two forestry students, one a junior and one a senior.

The recipients are chosen by the School of Forestry on the basis of scholastic standing, promise of becoming an outstanding forester, participation in extra-curricular activities, and financial need.

Lion's Paw Buys 20 Acres On Top of Mount Nittany

Lion's Paw, Inc., representing 555 alumni of the senior honor society at the University, yesterday announced purchase of 20 more acres of timberland on the northwest corner of Mt. Nittany.

This purchase, which brings the society's holdings to approximately 580 acres, is the first of several contemplated by the society according to Wayland Dunaway III, local attorney and vice-president of Lion's Paw, Inc.

He explained that the original purchase in 1945 was prompted by the desire to preserve the original beauty of Mt. Nittany and that the current purchase served to further that objective.

He said that the money for the original and current purchases was raised from the alumni of the society itself, and that future acquisitions would be made on the same basis.

Lion's Paw is a senior honor society dedicated to the advancement of the University.

CRIME DOES NOT PAY—At least these violators of freshmen customs found out. Violators are dealt with in several ways, the most common being wearing a large sign telling of the infraction.

Counseling Dispels Curriculum Confusion

Although new students may be confused about the locations of buildings, most of them will have a clear picture of their curricula and courses, thanks to the University's counseling program, directed by Dr. Donald H. Ford.

This service gets underway in May when incoming students take counseling tests, but the counseling itself is reserved for a day during the summer when parents, students, and representatives from the Division of Counseling meet on the campus.

Not only does this service go on at University Park for the main campus, but Penn State centers have a similar program to aid students attending the commonwealth campuses.

Ford and his staff spend a day with a group of 30 to 70 students, giving everyone individual consultation concerning his choice of curriculum, his interests, abilities and capacities.

At 9:30 a.m. parents and students meet with Ford to discuss the program for the day. Individual meetings where the test scores are discussed are then held with parents and students.

Next the incoming freshman meets with a member of the counseling staff to discuss his test results and relate them to his curriculum choice.

The first afternoon meeting is held with representatives from the dean of women and dean of men's offices who discuss rules, regulations and customs.

The final meeting of the day is considered by Ford as the most important. This meeting is held with the college dean or a member of his staff to discuss the program rules and regulations of the college. This meeting is important because of the new procedure of admitting students by college. They will not be given a curriculum within any college until the end of their freshman year.

Members of the Division of Counseling staff work all year to carry out research programs, set up the tests, dates for testing and counseling and to handle individual cases which may require special attention.

HUB Parking Lot Closed to Students

All parking lots bounded by Burrowes, Curtin and Shortlidge Rds., including the Hetzel Union lot, are closed to student automobiles beginning today.

All other parking lots except the lot in front of Recreation Hall will be open to student automobiles after 5:30 p.m. Monday through Friday and after 12:30 p.m. Saturday.

A \$15 parking permit entitles a student to park at any time in the lots on the eastern edge of campus from Nittany to the lot behind the Turf Plot Residence Halls.

Students may not park on or along Curtin, Burrowes or Shortlidge Rds. The parking lot behind McElwain Hall and the western half of the lot north of the Women's Athletic Field, previously closed to students, will now be open after 5:30 p.m.

All undergraduate and graduate students who own and operate a car, motor bike, motor scooter or any other motor driven vehicle in Centre County must register that vehicle with the Traffic Violations Officer, 203D Hetzel Union building. The fee for registration is \$5.

No freshman, with the exception of those who commute daily, may own or operate a motor vehicle in Centre County.

Other major traffic regulations are:

- Speed on all campus roads is limited to 15 miles an hour except where higher speeds are posted.
- Vehicles must yield the right of way to pedestrians crossing at Campus crosswalks.
- Vehicles must be brought to a complete stop at all stop signs.
- No student vehicles are permitted on Pollock Road between

Burrowes and Shortlidge Roads. No student motor vehicles without parking permits shall be driven on campus between 7 a.m. and 5:30 p.m., Monday through Friday, or between 7 a.m. and 12:30 p.m., Saturday.

The University will impose a fine of \$25 on all students who fail to register a vehicle or who drive on Campus without a parking permit.

Fines for any traffic or parking violations are assessed according to the following schedule: first violation, \$1; second violation, \$3; third violation, \$5; fourth violation, \$10; fifth and each subsequent violation, \$20.

New Sales Room Has Milk Shakes

That delicious Penn State ice cream is easier to reach now with its new creamery sales room, located in the Borland laboratory along Curtin Rd.

The Creamery, according to some students, has the best ice cream in the nation. In addition to ice cream the Creamery sells milk, cheese and eggs. The Creamery also sells products from the University farms when they are in season.

The Creamery has recently added facilities for making milk shakes. Before lack of space kept the Creamery from providing the service.

Open coolers provide easy access to the cheese, milk and packaged ice cream. The Creamery is now equipped to serve two to three thousand ice cream cones daily.

Special parking is available to the customers of the sales rooms in nearby parking lots.
