Chapel Staff Insurance Program Offered to Students

The Student Accident and Sickness Insurance Plan is now being offered to freshmen or to upperclassmen who wish to enroll for the first time or who wish to renew their policies.

Under this plan a student may be insured for one full year beginning this month. This insurance covers the student during all vacation periods, no matter where he is, as well as during the academic year at the University.

The Insurance Plan is underwritten by the Continental Casualty Company, Chicago and is administered by Higginbottom-Marguerite-Purnell, Inc., Pittsburgh. It has been called "the best plan of its kind in the United States."

The plan actually offers three plans from which any undergraduate student may choose. By the first plan, the student is covered by both a basic plan which covers initial expenses up to a specific amount, and a major medical plan which pays succeeding expenses.

For example, if a student is injured in an accident of any type, the insurance company will pay 100 per cent of the expenses up to \$1000. After this amount, the company will pay 80 per cent of the expenses up to \$7500.

The second plan offered has no basic plan but includes the major medical plan.

The third plan includes the basic plan but has no major medical plan.

Payments under each of the three plans are in addition to any other insurance protecting the student such as Blue Cross and Blue Shield or family insurance plan. Student insurance covers all intramural athletic activities except for first aid treatment.

Any one of the three plans may be obtained to include a student's spouse and dependents.

Application forms and information may be obtained at registration in Recreation Hall and at the Hetzel Union building or at the Doty and Hench Insurance, Co. in State College.
