Filters for flavor

—finest flavor by far!

Tareyton has the taste—
Dual Filter
does it!

Here's how the DUAL FILTER DOES IT:

1. It combines a unique inner filter of ACTIVATED CHARCOAL ... definitely proved to make the taste of a cigarette mild and smooth ...
2. with a pure white outer filter. Together they select and balance the flavor elements in the smoke. Tareyton's flavor-balance gives you the best taste of the best tobaccos.
