

Grad Series To Present Guest Prof

Dr. Roy Blough, economist and professor of international business at Columbia University, will present the first of the Graduate School Lecture Series at 8 p.m. Tuesday in 121 Sparks.

He will speak on "Nationalism and Organized World Economy."

From 1938 to 1946 Blough was serving with the U.S. Department as director of tax research and assistant to the secretary.

He is the author of "Facing the Tax Problem" and "Federal Taxing Process," and from 1947 to 1950 was editor of the National Tax Journal.

A native of Pittsburgh, Blough received his bachelor of arts degree from Manchester College in Indiana and his master of arts, degrees and doctor of philosophy degrees from the University of Wisconsin.

He taught at Manchester College for several years in the 1930's.

Blough joined the University of Chicago faculty in 1946 as professor of economics and political science and has been at Columbia since 1955.

In 1949, he participated in a tax advisory mission to the Turkish government and from 1952 to 1955 was principal director with the department of economic affairs of the United Nations.

The lecture is co-sponsored by the Economics Faculty Seminar and the Graduate School.

DAR to Hear Reader Group

The University Readers will present a program Tuesday for the Daughters of the American Revolution organization in Clearfield.

The program, "If Freedom Fails . . ." will include a dual reading by Mary Louise Pappas, junior in arts in letters from Villanova, and Sheila Cohen, junior in arts and letters from Pittsburgh. It is entitled "What is America?" by Ben Hecht and Charles MacArthur.

Maxwell Anderson's "A Letter to Jackie" and Carl Sandburg's "Elephants Are Different to Different People" will both be read by Miss Pappas. "The Lottery" by Shirley Jackson will be presented by Miss Cohen.

The University Readers will present various other programs on campus and for community groups during the year.

THE BEAT SYRACUSE SIGN hanging in the West Halls area yesterday was one of the many indications of the pre-game spirit sweeping the campus in anticipation of the big game Saturday.

PSU Spirit—Statue Painted

(Continued from page one) said, in recalling last year's Syracuse victory of 20-18 on Beaver Field.

Two avid State rooters, the Lion and Frothy, also entered the spirit of the rally. The mascot and the jester presented a skit with Frothy as a Syracuse fan being defeated.

Not to be outdone, master of ceremonies Robert Polishook led the group in a "Nittany Lion" cheer, with Yankee fans shouting the "N-I" and the Pirate fans answering with "double T" until the end of the cheer.

Gulf Grants \$1000 to CE

The Gulf Oil Co. has made a gift of \$1000 to the Petroleum Refining Laboratory, a division of the Department of Chemical Engineering.

(Continued from page one) that someone managed to streak the old boy orange.

Needless to say, the men were mad and close to the witching hour, a huge male brigade circled the campus chanting "Go Penn State; Beat Syracuse."

At one point they marched from the Nittany area and around Shortlidge Rd. past McElwain Hall. Their chanting was suddenly interrupted by a chorus of appreciative whistles. Seems that some delicately clad roeeds were urging them on from crowded posts at all the windows.

The brigade moved on, gathering marchers as it made the round of dormitories. And at every stop they challenged indoor rooters to a cheering contest.

For all anyone knows they might have been the ones who just kept on marching up to Syracuse, right to that statue of Job.

Forestry Day Will Be Held At Stone Valley

Forestry Field Day events will begin at 1 p.m. tomorrow at the Mineral Industries Camp in Stone Valley.

University foresters will show strong competition against each other at the Forestry Society's annual Field Day as the winners will get a chance to match skills with the West Virginia foresters next spring.

Twelve scheduled events—including log rolling, compass traverse, log chopping, barrel bronc, log sawing with both cross cuts and power saws and archery—will continue until 5 p.m. Following will be a tour of the Experimental Forest and a wiener roast on the lake shore.

There will be no admission charge to the Field Day. Anyone interested may attend and door prizes will be given.

Mitchell Receives Grant For Research in Math

Research in the field of mathematical analysis is being done by Dr. Josephine Mitchell, associate professor of mathematics, under a \$9635 grant from the Air Research and Development Command of the Department of the Air Force.
