

Greek Event To Honor '60 Pledges

The Outstanding Pledges for Greek Week, 1960, will be announced at the annual Outstanding Pledge Banquet scheduled for 6 tonight in Hetzel Union dining rooms A and B.

Greek Week began Sunday with Greek Sunday and the IFC Sing preliminaries and will continue until next Tuesday.

Outstanding pledges from six fraternities and five sororities have been selected as finalists for Outstanding Pledge honors. Sorority finalists are Lois Haegley, Delta Gamma; Kathy Hersey, Delta Delta Delta; Linda Krumboldt, Kappa Alpha Theta; Harriet McGruder, Delta Sigma Theta; and Susan Starbird, Alpha Chi Omega.

Fraternity finalists are J. Robert Banks, Phi Gamma Delta; Howard Born, Phi Kappa Sigma; Floyd Greer, Pi Lambda Phi; Tim Nelligan, Theta Chi; Edward Sekula, Phi Kappa Tau; and Ronald Smolin, Sigma Alpha Mu.

The finalists were selected on the basis of a point system from the applications submitted by each group. The final winners who will be announced tonight were selected from an interview by a panel of judges composed of the dean in charge of IFC or Panhel, the IFC or Panhel faculty adviser and the IFC or Panhel president.

Each winner will receive a plaque and five points toward the over-all Greek Week trophy for his respective group.

Speaker for the banquet will be Mrs. Richard Vanderpool, new assistant dean of women in charge of Panhellenic affairs. James Ettlesor, senior in business administration from Wynnewood, will be master of ceremonies.

The fraternity spring pledge class with highest scholastic average will also be presented with the IFC Pledge Class Scholarship Trophy at the banquet.

Readers Plan First Program

The University Readers will present their first workshop program at 3 p.m. Thursday in 309 Sparks.

Any interested student may attend. Poetry and short stories will be presented.

Three students were also selected to join the Readers group last Thursday at the second try-outs meeting. They were required to read five minutes of poetry or a drama selection.

Those chosen were Jeanne Bicking, sophomore in arts and letters from West Chester; Charles Coughlin, junior in arts and letters from Easton; and Patricia Higgins, junior in home economics from Sterling, Va.

Mrs. Harriet Nesbitt, assistant professor of speech, is advisor for the group.

AKPsi to Hold Smoker

Alpha Kappa Psi, professional business fraternity, will hold a meeting at 7 tonight and a rushing smoker at 8 tonight at Phi Kappa Alpha, 417 E. Prospect Ave.

John McCullough, of Lybrand, Ross Brothers and Montgomery will speak on "The European Common Market."

All members and rushees are invited.

LAS VEGAS NITE: Gamblers took charge of the Hetzel Union ballroom Saturday night as the first Las Vegas night of the year was held. It was co-sponsored by the Town Independent Men and Leonides with more than 1000 gamblers in attendance.

'Vice' Hits Campus At Las Vegas Nite

By KAY MILLS

A "wave of vice" swept the campus Saturday as Las Vegas Nite turned the Hetzel Union ballroom into a gambling den.

The evening of mock gambling was sponsored by the Town Independent Men and Leonides.

Although designed primarily for student gamblers, Las Vegas Nite was host to faculty members, area residents and visiting families as well. A grandmother was a popular customer among dealers as she kept trying to find a game and number to her liking.

Over 1000 people jammed the ballroom. Its adjoining balcony was added to the gambling den because of the warm weather.

The "Las Vegas Bank," with assets of \$12,700,000.06, gave \$2500 of bogus money to each gambler for poker, blackjack, craps, over-under, roulette, birdie-in-the-cage and other games of chance.

Students — whether novice or sharpie — with a compulsive urge to gamble could parlay their winnings into princely fortunes on the "Broadway Handicap," a race film shown midway through the evening.

Big winners and big losers abounded in the hall. One boy, flourishing a wad of newly-won "greenbacks," said, "Last year I lost all my money, but not this year!"

"Just like the Pirates, everybody wins here," was the pitch of a cage dice croupier.

The Golden Nugget "gambling economics in the future, but she contributed 1000 free key chains economics from its beginning.

which were given to gamblers as souvenirs.

The evening ended with the distribution of \$300 worth of prizes brought from Las Vegas nightspots. Students exchanged their winnings for numbered tickets, and those whose numbers were spun by the roulette wheels on stage won prizes.

Among the prizes handed out by Phillip Haines, TIM president, were dice mugs, miniature craps, roulette and cage dice setups, Las Vegas ashtrays, cigarette lighters, serving trays, playing cards and string ties.

Frank Jankosky of TIM and Patricia Schaaff of Leonides served as Las Vegas Nite co-chairmen.

Dean Henderson Asked To Address Conference

Dr. Grace M. Henderson, dean of the College of Home Economics, has been invited to address the annual conference of the Extension Division of Home Economics, University of Massachusetts, Amherst, Mass., tomorrow.

The talk which Dean Henderson will present is based on home economics in the future, but she will first review the ideal of home economics from its beginning.

Home Ec Freshman To Reign as Queen

Indies selected Susane Magness, freshman in home economics from Claymont, Del., as their queen Friday night at the annual Indie talent show and queen contest.

Miss Magness was one of five finalists competing for the crown.

Other contestants were Joyce Pattison, senior in psychology from Elkland; Carol Davis, freshman in chemistry and physics from Williamstown; Rosalba Giovannitti, freshman in education from Monroeville and Sally Stephens, freshman in liberal arts from Swarthmore.

For the contest, all the finalists presented a talent act. Miss Magness appeared as a flapper and do the Charleston.

"If I hadn't known that the boys in Jordan Hall were counting on me, I don't think I could have done it," Miss Magness said in an interview. Jordan sponsored the queen.

After the talent acts, the contestants reappeared on stage to answer questions. Each girl was asked to draw a question from an envelope and was also asked to answer the question "What influence do you think Jackie Kennedy or Pat Nixon will have on the election in November?"

In answering the second question, Miss Magness said that she felt the President's wife has many responsibilities and that she must live up to them since people often judged the president by his wife's actions.

Sheila Cohen, mistress of ceremonies, presented the queen with a trophy and a bouquet of flowers.

In the talent show held before the queen contest, Charles Howard, Joseph Kopp and "The Nittany Five" placed first, second and third respectively.

The talent winners received gift certificates for \$25, \$15 and \$10, in order of their place.

Sillars to Talk On Math Issue

Walter Sillars, a graduate assistant in the department of mathematics, will speak to Pi Mu Epsilon, honorary mathematics fraternity, at the first open meeting of the year, 7:45 p.m. Thursday in 12 Sparks.

A meeting for members will be held at 7 p.m. in the same room prior to the talk.

Sillars' topic will be the "Axiom of Choice," a controversial issue in the fields of math, logic and philosophy.

His speech will be directed at the undergraduate math student, but the meeting is open to everyone.

Prof Attends Assembly

Dr. Margaret Matson, associate professor of sociology, attended the Biennial Delegate Assembly of the National Conference of Social Workers in Chicago, Ill., last week.

Engineers and scientists who have or will achieve M.S., Professional or Doctor's degrees by January or June of 1961 are invited to **ON CAMPUS INTERVIEWS** with Mr. C. C. LaVene, Staff Assistant to Vice-President Engineering of the **DOUGLAS AIRCRAFT COMPANY** on **WEDNESDAY, OCTOBER 26**

America's most exciting space and defense projects, including SATURN, SKYBOLT and MISSILEER—and others of like importance—have created outstanding long range opportunities at Douglas in the following fields:

- | | |
|---------------|-----------------------|
| Electrical | Welding |
| Electronics | Engineering Mechanics |
| Mechanical | Physics |
| Chemical | Mathematics |
| Aeronautical | Astronomy |
| Metallurgical | Astro-Physics |

Openings exist at Douglas locations in Santa Monica and El Segundo, California and Charlotte, North Carolina.

If you are a U.S. citizen who will earn a qualifying degree, please contact your placement office for an appointment. If unable to do so, write to Mr. C. C. LaVene,
