PULL UP A CHAIR!

**INTERVIEWS**

**AT PENN STATE**

**WEDNESDAY,**

**NOVEMBER 2**

For further details and to arrange an appointment, consult your placement officer. If you miss us, a letter of inquiry will receive immediate attention if addressed to Mr. H. T. Brooks, Engineering Personnel Administrator, CONVAIR GENERAL OFFICES, San Diego 12, California.

Pull up a chair and talk to the men from Convair (they'll be on campus soon). Learn about the many other chairs at our four major operating divisions waiting to be filled by young engineers and scientists.

We are the nation's most diversified aerospace company, producing intercontinental and tactical missiles, electronic systems, commercial jet aircraft, all-weather jet interceptors, and strategic bombers. More advanced programs encompass a wide range of technology . . . from nuclear propulsion to space communication and exploration.

And our continuing policy of purposeful diversification assures stability and challenge for years to come.

Yes, plan to pull up a chair and talk to the men from Convair . . . they'll welcome the opportunity to discuss our company with you. Whether you are an undergraduate, graduate, or doctoral candidate, chances are there's a chair for you at Convair.
