

Tigers Now Second In AP Football Poll

By The Associated Press

Iowa's rating as the No. 1 college football team of the nation will be challenged Saturday at Minneapolis when it meets the strong Minnesota team which is ranked No. 3 in the weekly Associated Press poll of a 48-man panel of sports writers and sportscasters.

The Iowa team, which has rolled over Oregon State, Northwestern, Michigan State, Wisconsin, Purdue and Kansas for six straight victories, was a near-unanimous choice in this week's poll. The Hawkeyes received 46 first place ballots as compared to one each for Minnesota and Washington.

Minnesota also takes impressive credentials into this vital clash for the Big Ten lead. The Gophers have won six in a row in their march past Nebraska, Indiana, Northwestern, Illinois, Michigan and Kansas State.

Number two team, Missouri, winner of seven straight including a 21-8 triumph over Penn State, also faces an important opponent Saturday when it meets once-beaten Colorado in a Big Eight clash that could decide the championship.

Navy, the No. 4 club with seven in a row this year, meets a rugged opponent on the road when the Middies travel to Durham, N.C., to play Duke, beaten only by Michigan.

Ohio State, which has lost only to Purdue 24-21 in six games and is rated fifth, is not expected to have too much trouble with Indiana.

Mississippi, tumbled to sixth after its 6-6 tie with Louisiana State, hopes to make up ground against Chattanooga.

Washington, ranked No. 7 plays Southern California in a game which should go far toward firm-
