

Boy Missing--

turned from his Thanksgiving vacation. Last week, he became sick when he apparently took an overdose of aspirin, Coogan said.

Berretta's friends reported that he had been giving some of his personal belongings away in the last week. Monday evening he gave some wire to the boy across the hall and last Friday he gave his pipe and tobacco and some books to other friends.

Barretta, who is thin, about 5-foot, 8-inches tall and has a light complexion, was an honor student at Hickory High School, near Sharon.

His counselor described him as being a "nice, good boy." He got along fine with others in the residence hall, he said.

Polls Close--

(Continued from page one)

through her party's plan for consolidation of student governing groups under SGA, student opinion could carry more weight before the administration.

All the candidates present felt the need for a University bookstore. The independent office seekers were agreed that legislation on a student bookstore would be their first order of business in SGA Assembly.

Robert Polishook, University candidate for sophomore assemblyman, indicated he felt a book store important but said it "would have to wait." A book store idea could better be promoted under the unified student government that the University party advocates, he said.

The Campus party platform would provide legislation for a non-profit cooperative student shop to provide textbooks, school supplies and possible clothing at low prices.

Political Party Platforms

Campus Party

1. A non-profit University Co-op Shop to be set up to give Penn State students the lowest possible prices on such items as textbooks, school supplies, and possibly clothing. This has been tried and proved successful in many other Universities.
2. Voluntary R.O.T.C program which will fulfill the provisions of the Morrill Act and which has been given the approval of the Department of Defense.
3. An investigation into the possibilities of setting up student-run, student-owned, multi-level parking areas in order that the parking problems can be alleviated. These lots could possibly pay for themselves by charging hourly rates which might eliminate the need for the bi-semester parking fees as now assessed.
4. With the announced lack of facilities on the part of the College of Physical Education, the requirements for physical education should be changed to four credits instead of two years as now stated in the Senate Regulations. This would let students under the four-term system complete their requirements for physical education in one year.
5. The following is the pledge of action to carry out these planks:
 - A. Within the tenure of office and after thorough investigation relative legislation will be brought before S.G.A., along with petitions from the student body.

1. The governor of Pennsylvania will be informed by telegram of the situation.
 2. Each representative in the Pennsylvania General Assembly will be informed of the situation by mail.
1. Form letters will be made up and distributed to the student body along with the addresses of their representatives in Harrisburg.
 2. The Governor will be personally contacted and made aware of the problem.
 3. Members of S.G.A. will contact representatives in the General Assembly personally.
 4. Alumni of the University will be sent form letters informing them of the situation.
 5. A petition will be presented to a representative of the General Assembly to be read at a regular session.

University Party

1. S.G.A. coordinate all student governing organizations into a central group with S.G.A. at its head, including such groups as Leonides, Town Independent Men, campus men's organizations, and community councils and area councils.
2. S.G.A. become a functioning student government by taking over judicial and disciplinary proceedings from the dean of men's and women's offices.

3. The transferral of power to grant and retract charters to student organizations from the Senate committee on student affairs to S.G.A.
4. Asking the Board of Trustees of the University to permit the Book Exchange to sell FM radios at a discount to help increase the audience of WDFM.
