Dear Santa Claus:

My name is Boc Soc. In case you have never heard of me, I'll explain my name. It means Big Observer of the Contemporary Scene 'on Campus.

Ever since I came to Penn State I have been watching... and waiting. Now at last I have the chance to make my contribution to society.

For the past few weeks I have been observing campus activity and have arrived at a list of suggestions for the betterment of our beloved University.

Here it is, dear Santa, and I am placing all of my faith in you and your big fat sleigh to make my dreams realities.

1. Please bring Lion's Paw the rest of its body so it won't be so invisible and can't sneak around.
2. Please bring AWS lots of greens and Christmas balls and things so it will be easier for them to decorate the dean of women's office.

3. Please bring the Piddle Party a printing press so they won't have to travel out of town when they want to communicate with the students.

4. Please bring the ROTC men some shiny new buttons or some brightly colored stripes for their uniforms so they will love ROTC.

5. Please bring a special bulletin board for the Hetzel Union Building so the administration can put up regular displays to amuse the students.

6. Please bring the administration lots of mines to plant in the Hetzel Union parking lot.

7. Please bring AWS and SGA and the crew something to do so they be happy when they get front page stories in Collegian.

8. Please bring Dick Haber scented baby blue note paper to be used strictly at SGA meetings so he can die of boredom in style.

9. Please bring Campus party train tickets to Harrisburg so they can talk to Governor Lawrence. And please make it a slow train so they have a chance to think of something to talk about.

10. Please bring University Party a Monopoly game.

11. Please bring Bill Coleman's head lots of nasty little things that he can print about sororities.

12. Please bring Froth one package of Elm seeds so that they can start an "in memoria" grove in front of their office.

I know this is a lot to ask, Santa, but please do what you can.

Sincerely, B.S. (those are my initials)
