1960 IM BOXING CHAMPS—first row (l-r): Bill Ballerini (128); Bob Kraft (135); Ben Bow (142); Bob Gillmor (1-150); Sam Clayton (150). Standing: Watson Brown (158); Hal Powell (I-167); Lou Capetola (167); Gene Flick (176); Harrison Rosdahl (I-Hwt.); Don Paxton (Hwt.).

DU Retains IM Boxing Title; Paxton Wins Second Crown

By JIM BUKATA
 Delta Upsilon retained its fraternity boxing championship last night, edging Omega Psi Phi and Beta Theta Pi as the 1960 intramural boxing tournament ended before a crowd of 800 in Rec Hall.

Out of three DU finalists, Ben Bow was the only one to win a title. Bow posted a victory over Ed Skodal of Sigma Pi in the 142-pound division.

Two other DU hopefuls — Rich Greenleaf and Jim Anderson, lost on split decisions, but Bow's win was enough to give them the team championship for the third time in four years.

Of the three 1959 champions in last night's finals, only Don Paxton of Beta Theta Pi retained his title.

The other two, Greenleaf and Gerry Zeigler of Alpha Chi Rho, were dethroned in their attempts to repeat.

Greenleaf lost his chance for the crown when he was floored by Bob Kraft of Theta Xi in their 135-pound battle. Kraft used a short jab to keep Greenleaf off balance.

Zeigler lost to Sam Clayton of Omega Psi Phi. This bruising fight was a real crowd pleaser. Both boxers displayed good use of combinations and aggressive styles, but Clayton's longer reach proved the margin of victory.

Phil Kreitner of Tau Kappa Epsilon lost a unanimous decision to Paxton for the fraternity heavyweight title, and had to be content with the runner-

up position for the second year in a row.

The opening bout of the evening gave the crowd an indication of what was to come when Bill Ballerini of Phi Kappa Theta scored a split decision win over lefty Al Feingold of Zeta Beta Tau. Ballerini used an effective jab to pile up points for the win.

Watson Brown, another Omega Psi Phi battler, scored a split decision win in the 158-pound class, defeating Bob Hrobak of Phi Kappa Theta.

Lou Capetola of Beta Theta Pi downed Anderson in the 167-pound class. The lanky, long-reaching Anderson had trouble hitting the short stocky Capetola. Capetola's ability to get inside on his opponent earned him the split decision.

Tau Kappa Epsilon's Gene Flick posted a unanimous win over Mort Cross of Phi Epsilon Pi for the 176-pound crown.

The action was lightning fast in the independent bracket with two of the three fights ending in TKO's.

In the 150-pound division, Bob Gillmor hooked and jabbed his way to a split decision win over Sheldon Rothrock. The lefty continuously kept his opponent off balance with jolting hooks to the head.

Harold "Junior" Powell used

Lawrence Backs Lions

Governor David Lawrence has accepted a bet of a dinner from Oregon Governor Mark Hatfield on the outcome of Saturday's Liberty Bowl game in Philadelphia. The game pits Penn State against Oregon.

an aggressive bull-type offensive against Terry Wittenberg in their 167-pound-bout. A series of rights to the head spelled the end for Wittenberg at 0:24 of the third round when the referee stopped the fight.

Heavyweight Harrison Rosdahl stormed his way from rope to rope, knocking Steve Pulak down three times in the first round. After the third knockdown, the referee stopped the fight.

Nittanies Seek 2nd Straight Bowl Win

(Continued from page one)
 over Idaho, San Jose State, Stanford, California, West Virginia, Washington State and Utah.

"It'll be a real ball game," Engle said yesterday before the Lions left here by bus for Philadelphia. "Len Casanova has a solid, real fast team.

"They're very good defensively. They held Washington to one touchdown, you know.

"Offensively, they'll throw a lot at us with those flankers, split ends and that pro-type offense.

"Our biggest problems will be to stop their backs and the passing of Dave Grosz," Engle said.

Grosz, drafted by the Philadelphia Eagles last year, was 14th in the country in total offense.

The Oregon quarterback completed 57 passes for 910 yards and seven touchdowns.

His favorite receiver is little Cleveland Jones, the 5-3 halfback who led Oregon in scoring this fall.

Jones has terrific speed and broke into the clear so often this fall that he was Oregon's second leading ground gainer and its top receiver.

Oregon's top ground gainer is another speedster named Dave Grayson.

Grayson carried the ball 117 times for 648 yards. That's an average of 5.4 yards a carry.

Oregon's fullback tomorrow will be dependable Bruce Snyder who averaged 3.3 yards per carry.

Casanova's forward wall boasts plenty of talent, too.

Len Burnett, the second leading receiver, and Paul Bauge will be the ends with Steve Barnett, an All-West performer, and Ron Snidow at tackle.

Barnett, a sophomore, has a

sprained ankle but he'll see plenty of action.

The Oregon guards will be Mike Rose and co-captain Dave Urell, another All-West performer, Joe Clesceri is the center.

As usual, Engle will use two units with Galen Hall and Dick Hoak doing the signal-calling.

Hall's backfield has State's top ground gainer, Jim Kerr, and Don Jonas at halfback, Sam Sobczak is the fullback.

Hoak will operate with Dave Hayes at full and Eddie Caye, Al Gursky and Dick Pae at halfback.

The first unit line will be composed of captain Henry Oppermann and All-East choice Bob Mitinger at end.

Stew Barber, another All-East choice, will be at tackle with Jim Smith.

Bill Popp and West Philadelphia's Joe Blasenstein are the guards.

Jay Huffman, the most valuable player in last year's Liberty Bowl game, is the center.

The "Reddie" line finds Dave Truitt and Dave Robinson at end; Charlie Sieminski and Jerry Farkas at tackle; Bob Hart and Wayne Berfield at guard; and Bill Saul at center.

These are the silver wings of a U. S. Air Force Navigator. As a flying officer on the Aerospace team, he has chosen a career of leadership, a career that has meaning, rewards and executive opportunity.

The Aviation Cadet Program is the gateway to this career. To qualify for this rigorous and professional training, a high school diploma is required; however, two or more years of college are highly desirable. Upon completion of the program the Air Force encourages the new officer to earn his degree so he can better handle the responsibilities of his position. This includes full pay and allowances while taking off-duty courses under the Bootstrap education program. The Air Force will pay a substantial part of all tuition costs. After having attained enough credits so that he can complete course work and residence requirements for a college degree in 6 months or less, he is eligible to apply for temporary duty at the school of his choice.

If you think you have what it takes to earn the silver wings of an Air Force Navigator, see your local Air Force Recruiter. Ask him about Aviation Cadet Navigator training and the benefits which are available to a flying officer in the Air Force. Or fill in and mail this coupon.

There's a place for tomorrow's leaders on the Aerospace Team.
