

Sprinters, Strong Milers Brighten Thinclad Outlook

The Penn State track team opens its indoor dual meet season against Navy at Annapolis Saturday minus Dick Englebrink and a half-dozen other top performers who were lost through graduation.

But Coach Chick Werner has Bob Brown, one of the best sprinters in the East, plus a good crew of middle distance runners headed by co-captain Herm Weber, English-bred Jerry Norman and junior Steve Moorhead.

Besides Englebrink, Werner lost hurdlers John Fariara and Bob Szezyler, quarter-miler Dick Hambright, half-miler Bill Schwab, miler George Jones, and broad jumper Mel Ramey.

In addition, quarter-miler Pat Cunningham will be out for an indefinite period with a troublesome knee injury.

Brown and George Metzgar give State a good combo in the dashes. Bob Grantham and Tony Wayne are among others fighting it out for a starting position.

Grantham and Dick Campbell look like the main candidates in the 60-yard high hurdles.

Don Davies and Moorhead are the top men in the 600 with Mike Miller, Howie Deardorff, Fred Larson and Dave LaHoff probable starters in the 1000.

The milers will be chosen from Norman, Weber, Larson, Denny Johnson and Lionel Bassett. Weber, Norman and Ernie Noll are the top 2-milers.

Werner's mile relay squad will probably include Davies, Metzgar, Brown and Grantham. His two mile relay squad will be picked from Larson, LaHoff, Miller, Moorhead and Deardorff.

Campbell, who set a Penn State record last year when he cleared 6-6, will be State's top point-getter in the high jump. Jerry Wettstone, greatly improved over last year, and Barry Amis will

DICK CAMPBELL

give State plenty of depth in this event.

Dale Peters will head a pole vaulting crew that will include Gene Rinkus and Ciro Risoldi. Grantham and Amis will head the broad jumpers with Rinkus, Dave Simon and Dave Snow performing the shot putting chores.

Lack of a field house usually handicaps State in the field events.

Last year Navy defeated State 61 1/2-45 1/2, mainly because the Lions could place only two men out of a possible 20 in the five field house events.

Durocher Says Giants Won't Loaf

SAN FRANCISCO (AP)—Leo Durocher was doing what he does better even than managing baseball teams: Giving flat opinions.

The Los Angeles Dodgers' new third base coach, natty in a dark suit and white tie, fielded a barrage of news conference questions with ease and assurance Monday.

He said Alvin Dark, new skipper of the San Francisco Giants, "seems quiet and doesn't look aggressive. But the Giants will find out they can't loaf on him. I've seen him so hot you could light a cigarette on him."

Dark was Leo's shortstop and captain when the Giants won National League pennants for New York in 1951 and 1954.

As for his role behind Manager Walter Alton with the Dodgers, a secondary position totally unfamiliar to him, Durocher declared:

"If I didn't think I could subordinate myself to another manager, I'd never have taken the job. While I'm wearing any uniform, my manager is the best manager in the world. What he thinks, I think."

Rutgers, Lehigh Top EIWA; Lions, Pitt Tied for Fourth

At the halfway mark in the 1960-61 mat season, Lehigh and Rutgers continue to dominate the Eastern Intercollegiate Wrestling Association with Army, Pittsburgh and Penn State ready to step in if the leaders slip.

Rutgers holds down first place with a 7-0 league record.

Lehigh is right behind with a 6-0 league slate. In their only non-league competition Rutgers was tied by Iowa State. Lehigh trounced the midwesterners, 22-8.

Army, with a 4-1 league record, is third, with Pitt and Penn State (3-1) tied for fourth.

Navy, the Lions' next opponent, is 0-1, but has a 4-2 overall record, the same as State's.

Two Rutgers grapplers, Norm Fowler (130) and Don Cory (177), are undefeated and untied in seven EIWA bouts to top the league. Five other grapplers, including three from Lehigh — Bob Gunst (147), Kirk Pendleton (157) and Jim Detrixhe (177) — have won six matches.

Gunst defeated Jerry Seckler, Pendleton surprised Ron Pifer and Detrixhe downed Phil Myer in the Engineers' 24-8 victory over State last month.

The Lions' Denny Slattery and Johnston Oberly are among grapplers who have won five matches. Slattery lost his first match of the year last week to Maryland's Ron Maunder.

Other EIWA wrestlers to win

five bouts include Dick Martin (123) of Pitt, Al Rushatz (177) of Army, Thad Turner (167) and Dave Angell (191) of Lehigh, John Griffith of Navy.

Griffith and Oberly will tangle at Annapolis Saturday. The Middies have another undefeated Grappler, John McGrath, a 157-pounder who has seen action only three times.

Lehigh trounced Navy last week, 24-8, the same margin that the Engineers won over State. The Middies' only winners were McGrath and Griffith. Mike Harman tied Lehigh's Curt Alexander at 137.

State, with a 4-2 record, can't be counted out of the EIWA race yet. The Lions still have four meets left, including encounters with Rutgers and Pitt at Rec Hall.

Pitt, extremely strong from 123-147, has meets remaining with Lehigh and Rutgers. If the Panthers can win both times, State will be in a position to tie for the lead if it sweeps its remaining contests.

PART TIME WORK

for College Students

Afternoon and evening employment available for college men with nationally known concern.

Salary—\$47.00 per week

Call 9:30 a.m. to 3:00 p.m.
MR. EDGE AD 8-2051

STUDENT SUMMER POSITIONS

The Moss Associates Bulletin with job listings for undergraduate and graduate men and women is now available in the East. Moss Associates is not an employment agency and will collect no fees on your future salary. We will supply you with job sources and the related facts to help you secure a desirable position. Positions are available in industry, resort areas, on ships, businesses, and government agencies, and some in Canada, Mexico and other foreign countries.

Your particular curriculum may qualify you for many specialized higher paying jobs. Personnel, social work, clerical and agricultural positions are readily available. Basic engineering skills may qualify you for high paying trainee positions in government and industry. Resort positions are available for experienced and inexperienced persons, particularly in the New England area along with other areas.

The availability for all summer positions lessens as the summer draws near. It is advisable to apply for these positions as soon as possible. To receive the Moss Associates Bulletin, send two dollars (\$2.00) in cash, check, or money order, no C.O.D.'s please, together with the coupon below to:

IBM WILL INTERVIEW FEBRUARY 22-24

Candidates for Bachelors or Masters Degrees are invited to discuss opportunities in:

Engineering and Science Systems Engineering and Sales

This is a unique opportunity to find out about the many career opportunities at IBM. The IBM representative can discuss with you typical jobs, various training programs, chances for advanced education, financial rewards, and company benefits—all important factors that affect your future.

SOME FACTS ABOUT IBM

An Unusual Growth Story: IBM has had one of the exceptional growth rates in industry. It has been a planned growth, based on ideas and products having an almost infinite application in our modern economy.

Diverse and Important Products: IBM develops, manufactures and markets a wide range of products in the data processing field. IBM computers and allied products play a vital

role in the operations of business, industry, science, and government.

Across-the-Country Operations: Laboratory and manufacturing facilities are located in Endicott, Kingston, Owego, Poughkeepsie and Yorktown, N. Y.; Burlington, Vermont; Lexington, Ky.; San Jose, Calif.; Bethesda, Md.; and Rochester, Minn. Headquarters is located in New York City with sales and service offices in 198 major cities throughout the United States.

The Accent is on the Individual: No matter what type of work a person does at IBM, he is given all the responsibility he is able to handle, and all the support he needs to do his job. Advancement is by merit.

The areas in which IBM is engaged have an unlimited future. This is your opportunity to find out what that future has to offer you.

Call or stop in at your placement office to arrange an appointment with the IBM representative for the date above. If you cannot attend an interview, write or call the manager of the nearest IBM office:

Mr. S. F. Davis, Branch Manager
IBM Corporation, Dept. 882
206 Main Street
Johnstown, Pa.
Johnstown 7-5181

You naturally have a better chance to grow with a growth company.
