

Matmen, Navy Sport 4-2 Logs

The Penn State grapplers and Navy will match identical 4-2 records when they meet at Annapolis tomorrow at 4:15 p.m.

But the competition both teams have faced this year is far from identical. While Penn State has met such national mat powerhouses as Michigan and Lehigh plus local powers like Maryland, Cornell and Army, the Middies have been beating Hofstra, the U.S. Merchant Marine Academy, the Coast Guard Academy, and VPI.

The teams have two common

LINCOLN THOUGHT A HUNDRED YEARS AHEAD

Abraham Lincoln was prophetic on many issues facing us today. Nowhere more than when he said: "In all that the people can individually do for themselves, government ought not to interfere."

But today, the U.S. government runs thousands of "businesses." As one example, take the electric light and power business, where the federal government has already spent more than \$5,000,000,000 of taxpayers' money. And pressure groups want it to spend billions more.

Yet independent electric light and power companies like yours are able and ready to supply all the low-price electricity America will need . . . without depending on your tax money.
