

Trackmen Defeat Cadets 'Cautious' Grapplers For 2nd Straight Victory Lose to Orangemen

By JIM KARL

Penn State's indoor track team topped Army, 54-46, at West Point Saturday and now the Lions, along with Villanova, Manhattan, NYU and Yale, are being touted as top threats in the upcoming IC4A tourney.

The win gave State a 2-0 record with one more dual meet left — Ohio State at Columbus this Saturday — before the eastern championships March 11.

For the second week in a row sophomores played a big part in the Lion victory. The soph, who sparkled in the Navy win, took six out of eight first places won by State.

Gerry Norman and Bob Grantham both scored double victories, Norman's coming in the mile and two-mile and Grantham's in the hurdles and broad jump. Howie Deardorff won the 1000 for the second straight week and Ciro Risoldi gained top honors in the pole vault.

Veterans Bob Brown (60-yard dash) and Dick Campbell (high jump) also finished on top in their events.

Norman and Herm Weber both ran a 4:15.7 mile but the sophomore from Bristol, England, was the first to reach the tape. Norman cut three seconds

GEORGE METZGAR

off last week's winning time in the mile against Navy and 11 seconds off his time in the two-mile. He ran 9:27.5 in the two-mile last week and 9:16.2 against Army.

Brown won the dash in 6.3 and Grantham took the hurdles in 7.9. Risoldi established himself as a good bet to break the Lion record of 14 feet in the pole vault by

clearing 13-6 against Army. Dale Peters topped 13 feet to take third for State.

Dick Campbell leaped 6-4 1/4 to win the high jump. Jerry Wettstone tied Army's Gene Laborne for second place by clearing 6-2.

Deardorff won the 1000 in 2:12.4, the second fastest time in the East this year. Only Yale's flashy Tom Carroll has run faster.

Army turned on the steam to beat State in the relays. Brown was timed in 50 seconds flat for the lead-off leg in the mile relay with sophomore Ray McAllevy equalling last week's time of 50.3 for the second leg.

Don Davies was clocked in 49.1 for the third leg and George Metzgar blazed home in 48.6, but State's time of 3:18 wasn't good enough to win.

Army came up with four sub-50 second 440's and finished in 3:16.9 to set a new Academy and Field House record.

Deardorff, who may have been a little tired from his fast 1000, ran a 2:05.8 third leg in the two-mile relay. Steve Moorhead was timed in 1:46.5 for the anchor leg but State finished almost nine seconds behind the Cadet quartet. Army was clocked in 7:50.6 and State in 7:59.

The only other events Army won were the shot put and the 600.

Thomas Won't Concede

BOSTON (AP) — Unwilling to concede he's second best to Russian Valery Brumel—or anyone, John Thomas returned to the high jump pit yesterday.

A little caution is a good thing sometimes, but Penn State's grapplers may have overdone it in their 16-15 loss to Syracuse in Archbold Gymnasium Saturday.

That was the opinion of mat coach Charlie Speidel as he mused over his squad's fourth loss in its last six outings this year.

"You're not supposed to throw caution to the wind, but our kids need a little more fire," he said. "They're not scratching with their claws. They don't have that extra oomph."

If State wrestlers would have had that "extra oomph" in any one of five matches Saturday the Lions would be 5-3 instead of 4-4.

Dan Johnston and Jerry Seckler had to settle for 3-3 draws and Tony Scordo, John Barone and Dave Hayes lost one-point decisions, Hayes losing on a takedown in the last 25 seconds.

Syracuse had won only two of six meets before shocking State. They were trounced by Lehigh, Pitt and Army and lost to Cornell by three points. State beat the Big Red, 20-9.

Speidel said that Syracuse had three good wrestlers in Larry Nealon, Gary Sirota and Howie Meyer, but that the other Orange grapplers lacked finesse.

"We're just not charmed this year," he said with a shake of the head. "We're just not getting the edges and the breaks."

Denny Slattery, 123, lost for the second time in eight outings when Nealon outscored him, 8-3. Nealon put the match out of reach when he scored six points in the second period.

Scordo went into the final period losing, 3-2. He scored four points on two reversals in the final stanza but Meyer matched him with a reversal and two es-

capas for a 7-6 win.

Bob Chappell and Johnston went into the third period of their 137-pound battle locked in a scoreless duel. After trading reversals Chappell escaped but a point for riding time made the final score 3-3.

Neil Turner outpointed Fred Hoffman, 5-2, at 147 to win his first match of the year. A first period takedown and a last period reversal plus a point for time gave Turner his winning margin.

Sirota got a last period escape to gain a draw with Seckler. The Lion co-captain scored his points in the second period on an escape and a reversal.

Ron Pifer moved to 167 and decided Don Dunning, 6-1, for his sixth win against two losses. Pifer's victory knotted the score at 10-10, but one-point decisions in the next two matches put the

Russia's Brumel Apologizes For Only Tying Indoor Mark

NEW YORK (AP)—Valery Brumel, Russia's whiz-kid high jumper, was full of apologies yesterday.

"I'm sorry," he told the weekly meeting of the New York Track Writers Association, "that I didn't do better last Friday night in the New York Athletic Club meet."

All he did was clear 7 feet, 3 inches, equaling John Thomas' best indoor jump. This was on his first appearance on boards before a large crowd.

"But," he added, "I hope to do better this Saturday in the National AAU championships. I have been practicing very hard."

Brumel, who won't be 19 years old until April, got off a 7-4 1/2 jump less than a month ago in Leningrad. That's the highest anyone ever has gone. Thomas' official world record is 7-3 3/4.

"I wanted very much to make a good impression on my first appearance here," Brumel added.

"I was very nervous because I never had competed in a meet like that before.

"But I wasn't as nervous as I was in the Olympics."

Why, he was asked, did he order the bar to 7-5 after clearing 7-3? Anything over 7-3 would have constituted an indoor record.

"I wanted to do better than my jump in Leningrad," he answered.

Now, he has decided, he does not know how high he can go—or for that matter anyone else.

Giants Get Janerette

NEW YORK (AP) — The New York Giants yesterday traded defensive tackle Ed Mazurek to the Minnesota Vikings for offensive tackle Charlie Janerette, former Penn Stater, in a straight player deal between the National Football League clubs.

Frosh Gymnasts 2nd in Tri-Meet

Penn State's freshman gym team finished second in a triangular meet with Pitt and Slippery Rock Teachers in Rec Hall Saturday evening.

The Lion Cubs scored 29 points to Slippery Rock's 40. Pitt was third with 24 points.

Jay Braude and Jay Dash were the only Penn Staters to finish first.

Dash won the rope climb in 5.2 seconds and Braude scored 223 to take the flying rings.

Slippery Rock's Jerry Marcenko was the leading scorer in the meet with firsts on the horizontal bar, the parallel bars and the side horse.
