

Tshombe Mobilizes Katanga; Dag Hopes to Avert Civil War

ELISABETHVILLE, Katanga, the Congo (P)—President Moise Tshombe yesterday ordered all able-bodied Katangans mobilized against the U.N. Congo Command's newly won authority to use force to prevent civil war.

Blacks and white alike of this secessionist province got their orders by radio, as they did last August when Tshombe used the threat of bloodshed to stall the entry of a U.N. vanguard for a week.

In bitter reaction to the Security Council's newest decision, the Negro leader called UN soldiers enemies and told a news conference that UN experts are men "whose incapacity has been demonstrated." He said he is prepared to close the border.

But he avoided a question whether he would try to disarm UN detachments already garrisoned within Katanga, saying: "I have not officially been informed of the council resolution."

The council authorized the UN Congo Command, headed by Irish Lt. Gen. Sean MacKeown, to use force if necessary to put down the threat of war among rival Congolese factions.

That command, reduced by the recall of Moroccan and United Arab Republic detachments to about 17,500 effectives, has been under orders to shoot only in self defense.

Tshombe's soldiers at the moment are campaigning to drive rebel Baluba tribesmen from northern Katanga. Farther north, a collision threatens between Congo national and Lumumba armies.

Tshombe also rejects a part of the resolution calling for withdrawal from the Congo of all Belgian military and political advisers. Such an exodus would strip his administration and army of key men. He said the Belgians will have to stay, even if Belgium orders them home.

UNITED NATIONS, N.Y. (AP)—Secretary-General Dag Hammarskjold yesterday called for additional U.N. soldiers to carry out a Security Council peace plan aimed at averting civil war in the Congo.

Hammarskjold welcomed the plan-sponsored by the United Arab Republic, Ceylon

and Liberia — as giving a stronger and clearer mandate for the much-criticized U.N. Congo operations. The United States backed the resolution. Many diplomats were encouraged by the fact that Soviet Union withheld a threatened veto and simply abstained.

The Soviets bowed to Asian-African pressure after they found no support for a Soviet demand for the liquidation of the U.N. Congo operation and the dismissal of Hammarskjold as secretary-general.

Soviet Delegate Valerian A. Zorin insisted that the three-nation resolution gave Hammarskjold no new instructions, but neither the secretary-general nor the Western powers accepted this interpretation.

Hammarskjold expressed belief that countries now contributing contingents — mostly Asians and Africans — would strengthen the U.N. force by further contributions.

His appeal came as he struggled to hang onto the forces he has at present. The force has dwindled from a high of nearly 20,000 men to about 17,500, with other sizable contingents scheduled to withdraw in the next two weeks.

Kennedy Gives Congress Priority List on 16 Bills

WASHINGTON (AP)—President Kennedy gave congressional leaders a priority list of 16 bills yesterday with heavy emphasis on helping the unemployed.

The Democratic leaders, Sen. Mike Mansfield of Montana and House Speaker Sam Rayburn of Texas, promised speedy action.

Mansfield, after conferring with the heads of major Senate committees, said they will "shoot for consideration of all major bills by July 31."

Mansfield said not all of the Democratic chairmen are prepared to support all Kennedy's proposals, but he said they are "ready and willing" to move them along for Senate action.

All Senate Democrats were summoned to a party caucus next Monday to discuss the Kennedy program. Mansfield said Vice President Lyndon B. Johnson will preside at the session.

Topping Kennedy's list, as given out after the weekly White House conference of legislative leaders with the President, were these measures:

- Emergency extension of unemployment compensation.
- Making children of unemployed parents eligible for federal-state aid.
- Providing more liberal Social Security benefits and extending coverage.
- Setting up a program of fed-

eral aid for economically depressed areas.

A dozen more measures on a variety of subjects followed. White House press secretary Pierre Salinger at first said the 16 bills were listed in order of priority but later he said all were priority measures and should be undertaken at the earliest opportunity.

The House Ways and Means Committee late yesterday reached tentative agreement on an emergency unemployment compensation bill and may act soon on the aid for children measure. Other committee action is under way on the depressed areas aid bill.

Burma Troops Crush Rioting Anti-U.S. Mobs

RANGOON, Burma (AP) — Gunfire of Burmese troops yesterday crushed the biggest anti-American demonstration ever seen in this neutral nation.

Steel-helmeted soldiers opened up with automatic weapons on a mob estimated at 10,000 persons outside the U.S. Embassy.

Bullets seriously injured five of the mob, which had proved too rough for police to handle.

Thirty-five rioters and three policemen were seriously hurt in earlier hand-to-hand fighting.

The demonstrators were protesting the supplying of U.S.-marked arms to Chinese Nationalist guerrillas holed up in the jungle along the Burma-Thailand border.

U.S. officials are investigating to determine how the weapons got to the guerrillas, former soldiers of Chiang Kai-shek. They stayed behind when Chiang's armies moved to Formosa after the Chinese Communists conquered mainland China in 1949.

Police threw up barricades 25 yards from the embassy and used tear gas bombs and fire hoses to fight off most of the rioters. Some, however, stormed the barricades and battled the police with sticks and stones.

Air Force Jet Crashes In Mid-Air Refueling
HORSE CAVE, Ky. (AP) — An Air Force B47 jet plane crashed while refueling in the air near here last night. There was one known survivor.
The plane went down with what area residents termed a "big flash" about 7.5 miles northwest of Horse Cave, near the Mammoth Cave National Park.
The plane was from Lockbourne Air Force Base at Columbus, Ohio.

STUDENT SUMMER POSITIONS

The Moss Associates Bulletin with job listings for undergraduate and graduate men and women is now available in the East. Moss Associates is not an employment agency and will collect no fees on your future salary. We will supply you with job sources and the related facts to help you secure a desirable position. Positions are available in industry, resort areas, on ships, businesses, and government agencies, and some in Canada, Mexico and other foreign countries.

Your particular curriculum may qualify you for many specialized higher paying jobs. Personnel, social work, clerical and agricultural positions are readily available. Basic engineering skills may qualify you for high paying trainee positions in government and industry. Resort positions are available for experienced and inexperienced persons, particularly in the New England area along with other areas.

The availability for all summer positions lessens as the summer draws near. It is advisable to apply for these positions as soon as possible. To receive the Moss Associates Bulletin, send two dollars (\$2.00) in cash, check, or money order, no C.O.D.'s please, together with the coupon below to:
