# Spring Week Means 'Confusion and Fun'

By KAREN HYNECKEAL

Spring Week will be another first for the freshmen. Most likely, it will be one of their most colorful firsts. They will see usually calm Greeks and independents racing around to secure 50 more feet of chicken wire or 75 more boxes of kleenex which will be transformed into some magnanious said yesterday. creations.

Classes will be forgotten (most probably cut) and blue-

# To Investigate Florida Trip

The Sophomore Class Advisory Board decided to investigate the Fort Lauderdale, Fla. during the

Fort Lauderdale, Fla. during the spring vacation at its organizational meeting Sunday.

Edwin Grinberg, chairman of the board, appointed David Whitsett, sophomore in Counseling from Pittsburgh, to head the investigation committee.

Grinberg also appointed committees to look into the possibility of a Sophomore Day and ways the board can prevent attition increase.

The board vated to hold a dance equipment out to the golf course.

But sometime in the wee, wee hours, a float will actually come into form. And by 5 p.m. Friday, the final touches will be completed.

Next comes the job of writing the plans mentioned she said, a "closer that had closer contains the plans mentioned she said, a "closer that had closer contains the plans mentioned she said, a "closer that had closer contains the plans mentioned she said, a "closer that had closer contains the plans mentioned she said, a "closer that had closer contains the plans mentioned she said, a "closer that had closer contains the plans mentioned she said, a "closer that had closer contains the plans mentioned she said, a "closer that had closer that had c

# Prestige Improves GA—Watchorn

Student government's prestige is becoming more effective in some areas, but the governing body in general holds little prestige with the students, Barbara Watchorn (U.-Soph.)

"I am definitely in favor of reorganization," Miss Watch-

"There is a chance that this plan would not be effective because the representatives would not be the best-qualified people for the job," Miss Watchorn said. Sorority and fraternity mem-

bers usually center their interests around their own group, she said, and this factor would hinder them from being aware of all student problems. Commenting on the

Since the present Cabinet meets a half-hour before Assembly meeting, it doesn't have enough time to consider the items on the agenda, she said.

"A closer contact should be established between Cabinet, the issues and the Assembly members," she said.

Miss Watchorn said she felt that the members presently sitting on Cabinet should retain their posts because the system brings "co-ordination" of campus organizations.
