

# ART

# BLAKEY

## AND HIS JAZZ Messengers

*• down beat.*

THE JAZZ MESSENGERS are a blazing band of jazz evangelists who believe that jazzmen advance most surely when their roots in the jazz tradition are deepest. Besides Blakey this group features such artists as that young trumpet great Lee Morgan and the pianist Bobby Timmons, the acknowledged head of the current "soul" movement.

**The Man with a Message will be here NEXT SATURDAY NIGHT, March 11th,
