

Lion Thinclads Finish Just as Werner Predicts

Bob Brown couldn't beat an old nemesis, Dick Campbell couldn't beat John Thomas and Steve Moorhead couldn't beat a miler from Wesleyan.

That about sums up Penn State's showing in the IC4A track meet at Madison Square Garden Saturday night.

Nevertheless, the Lions finished fourth with 16 points behind Yale (30), Villanova (29) and Manhattan (20).

Days before the meet Coach Chick Werner said that his team probably would get 16 points and the Lions came through exactly the way he predicted.

Frank Budd completed an undefeated indoor season by barely edging Brown in the 60-yard dash. The Villanova star has had an outstanding year, breaking records at several meets. His 6.1 in the IC4A's equaled the meet mark set by Penn's John Haines in 1956.

Jerry Wettstone

Moorhead drifted far back as the mile run neared its end, but with one lap left the Lion junior began a furious kick that carried him to second place. When he hit the tape he was just inches behind Wesleyan's Steve Paranya and gaining fast.

Gerry Norman finished third after leading a good part of the race.

Thomas, competing despite an injured ankle, could do no better than 6-6. Campbell, who has cleared that height several times, almost did it again to gain a tie for first with the Boston University great.

Werner said that Campbell had cleared the bar at 6-6, leaped out of the pit with hands held high in victory, and started to walk away when the bar swayed and fell.

And as it hit the sawdust the hearts of Yale fans skipped a beat.

Campbell's miss caused a four-way tie for second between him-

self, teammate Jerry Wettstone and two Yale jumpers.

Instead of Yale getting four points for a three-way tie for third, they got five points for a four-way tie for second.

That gave the Elis the point they needed to edge Villanova for the team title.

Penn State barely missed several other opportunities to score. Howie Deardorff and Mike Miller just missed qualifying for the 1000-yard run.

Tony Wayne finished second in a quarterfinal heat in the dash.

State's two-mile relay team finished sixth in the finals, just one place out of the money. Don Davies and George Metzgar failed to qualify for the 600.

Yale, whom some trackmen have compared to Villanova's great team when Ron Delany was running for the Wildcats, had three eastern champs.

Jim Stack won the 600, Tom Carroll the 1000 and Bob Mack the two mile.

Moran Edged by Close In Two Midwest Meets

Ed Moran's old running mate Pete Close edged the Penn State grad student for second place in two midwestern invitationals this weekend.

Moran and Close were beaten in the 1000 by Tom Sullivan, an 18-year-old high school senior from Evanston, Ill., in the Chicago Daily News Meet Friday night. Sullivan was clocked in 2:10.5.

The next night the two board veterans were edged by Jim Grelle at the Milwaukee Journal Meet in one of the fastest indoor miles run this year.

Grelle, of Eugene, Ore., was clocked in 4:03.6 to wipe out the previous meet record of 4:05.4 set by Ron Delany in 1959.

Moran was timed in 4:06, the fastest he has run this year.

Twelve Pins Highlight IM Mat Debut

By DEAN BILLICK

The 1961 IM wrestling tournament opened in Rec Hall last night and if the results were any indication of things to come, this year should prove to be mighty interesting.

Twelve pins were recorded in 20 bouts with most of the falls coming in the opening minutes.

Only one 1960 champion wrestled last night. Bob Dean, 158-pound independent champ last year, pinned Dave Strickler of Sigma Pi at 3:00. Dean wrestled in the 167-pound class for Alpha Sigma Phi.

The closest bout of the evening was in the 167-pound class. Harry Allen of Phi Delta Theta used a last minute reversal and riding time to nip Karl Schlentner, 6-5.

Allen led, 3-0, in the first period, but a third period reversal and near fall by Schlentner forced Allen to come from behind for the win.

A lightning-like reversal with 33 seconds remaining gave Gary Reynolds of Kappa Sigma a 2-0 decision over Brian Shirk of Pi Kappa Phi. Reynolds rode Shirk during the second period and then reversed in the final period for the win.
