Bursar to Close Saturday

The Office of the Bursar on the ground floor of Willard will be closed each Saturday morn-ing starting April 1, Richard H. Baker, bursar, announced Monday.

The suggestion came after SGA Assembly heard the first of three readings of its revised constitu-tion, last week. This revision stip-ulated that nominations would be made by the four individual resi-dence councils.

The proposed change would have each party nominate one person for each vacant seat. Only presons from the residence area of the nominee could vote in nominating sessions.

Brandt said last night that he drew up this and other sugges-tions after conferring with Duane Alexander, chairman of the reorganization committee. He emphasized that reorganization "must be kept out of political factions if it is to be effective."
