"Your Grandchildren will grow up under Communism!"

Will the Soviet threat come true? Will your grandchildren live under Communism? Forget God? Salute the Soviet flag?

"Never!" you say. But are you sure? What can you do to oppose Communism? There is one sure way. Help *Radio Free Europe!* What does it do? It broadcasts the news of freedom to 79 million captive people behind the Iron Curtain. It helps keep them from turning to Communism. It helps pose a major obstacle to the Russians starting a war. But Radio Free Europe needs help. It depends on individual Americans for its existence. Will you help? Give a dollar? Give 5 dollars . . . or more? Surely your heart tells you to give something—so that our children—and all children—shall live in freedom throughout the world.
