

Palmer, Rosburg Take Masters Lead

AUGUSTA, Ga. (AP)—Erratic Bob Rosburg copied Arnold Palmer's patented finish yesterday in the opening of the 25th Masters Golf Tournament and gained a tie with power-hitting Palmer for the first-round lead.

Each shot a 4-under-par 68 on a wet, uncomfortable day when par at Augusta National resisted all but a few efforts to break it.

Palmer, whose birdies in the last two holes of the final round a year ago brought his second Masters title, was out in front all the way yesterday. Starting with a birdie on the second hole, he posted a steady string of the red figures that indicate under-par totals on the Masters scoreboard.

Rosburg, a pudgy Californian with an unorthodox "baseball" grip, got his 68 by shooting birdies on four of the last six holes, one on a 100-foot putt. Up to that time, he had been shooting even par and was hardly rated one of the first-round contenders.

These two were only a stroke ahead of Gary Player, the slight but strong South African who says he has added 25 yards to the distance of his drives since last year. Two strokes back at 70 was Jack Nicklaus, the muscular 1959 U.S. amateur champion.

Tied at 71 — the only other par breakers — were 49-year-old Byron Nelson, who won the Masters in 1937 and 1942; and three members of golf's regular touring brigade — Doug Ford, Paul Harney and Johnny Pott.

It was a day when strength helped on the sprawling 6,980-yard par 36-36-72 Augusta National course. Rain slowed the course and the greens a bit but didn't make it really soggy.

Lion Tracksters Win in Tune-Up

Penn State's track team climaxed a six-day practice period at Ft. Lee, Va., by scoring 78 points to win a triangular meet with Ft. Lee and Virginia State Monday.

Ft. Lee, lead by Olympians George Young and Deacon Jones, finished second with 39 points followed by Virginia State with 16.

Penn State took 10 first places, including two by sprinter George Metzgar. Coach Chick Werner and his squad returned to campus Tuesday to begin preparations for their first regular season test at the Quantico Relays next weekend.

Lacrosse Team Opens Against Champion Navy

Earnie Baer's lacrosse team may be one of his best in recent years, but it has a pretty big bill to fill tomorrow afternoon at Annapolis against Navy's defending National champs.

The Middies again are rated as one of the strongest teams in the nation. They displayed the same power that carried them to the championship last year when they dumped a strong Rutgers team, 12-3, in their opener.

A jinx dating back to 1919 will also make things tough for the Lions. That year Navy beat Penn State, 13-0, and since then the Middies have won 30 straight contests. Last year Navy drubbed the stickmen, 17-3.

But Baer isn't worried. "We have a good team," he said, "and we are going to give them a real battle."

The Lions have looked good in three pre-season games and Baer feels confident they will improve on last year's 1-9 record.

Impressive Log

Penn State football teams have won 69 games and have made two winning post-season bowl appearances under coach Rip Engle. Engle-coached State teams have lost 31 times while tying four.

Engle Hunts for Ends As Spring Drills Open

Eighty-five candidates opened 20 days of spring football practice yesterday and Coach Rip Engle began his search for a pair of ends to back up Bob Mitinger and Dave Robinson.

Engle will lose Henry Oppermann, John Bozick, Dave Truitt and Dave Alexander through graduation. The letter-winning quartet accounted for 21 pass receptions and 30 points last season.

Drills will end with the annual Blue-White intra-squad game May 6.

British Prove Helpful

LONDON (AP) — The British army and a British champion are ready to help Joe Brown prepare for his world lightweight title fight against Dave Charnley of Britain.

The world champion from Baton Rouge, La., is due to arrive today. The fight against Charnley, British and European champion, is at London's Earl's Court Stadium April 18.

The army has offered Brown the use of a large ring to train in at a London gymnasium. Brian Curvis, British welterweight champion, said he was ready to be Brown's sparring partner.

Get the facts about a career with Con Edison

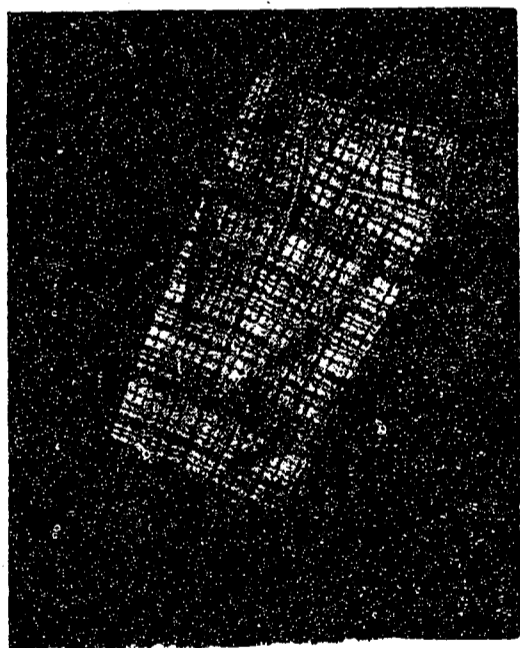

Con Edison is in the midst of a huge expansion program to serve a constantly growing New York—the world's most dynamic city. In five years we're spending over a billion dollars to build new plants, sub-stations and distribution facilities and to find new and better ways to meet our city's increasing demand for electricity, gas and steam.

Our tremendous growth is increasing the need for creative and ambitious college graduates—in both technical and non-technical fields. In the next fifteen years 750 of the 791 top management positions in the company will fall vacant—mainly through retirement. These important positions will be filled largely by men who join us now. Our carefully planned program for college graduates offers a good starting salary, major assignments at once and rapid advancement.

So why not get all the facts about the many interesting and worthwhile careers Con Edison has to offer... pick up a copy of our booklet "Con Edison — The Right Place To Build Your Future" at the Placement Office and be sure to talk with our interviewer when he comes.

Our interviewers will be here at
