

# Army Game Called; Lions Need Sunshine

By JOHN MORRIS

Joe Bedenk is beginning to wish his baseballers could forget the past week and start all over again.

"We were probably in better shape before the season started than we are now," Bedenk said yesterday as the Nit-tanians wound up practice in the skating rink.

Cancellation of today's scheduled contest with Army marks the third time in five days that State has been forced to give in to the weatherman.

The Lions were supposed to play Lehigh Tuesday, but snow forced the cancellation of that game and the attempt to reschedule it on Thursday.

"Not playing is really hurting us," Bedenk said, "but the field isn't in shape to play."

"We just don't know what's coming next, and we couldn't ask them to come up here with the weather we've been having," he said.

"The game can't be rescheduled because Army can play only on weekends and our schedules conflict," Bedenk said.

The Lions will try to get back into action Wednesday when they face always tough Ithaca in Ithaca, N.Y.

Tom Durbin was scheduled to start in both Lehigh games and against the Cadets, but lefty Ed Kikla will probably get the nod against the Bombers.

"We can only play one game at a time," assistant coach Chuck Medlar said in explaining the switch. "We have to go with our best."

The Lions will try to get outside for practice this afternoon. "But," Bedenk said, "we'll probably have to practice in this wind tunnel."

## Basketball-Type Defense Puzzles Hershey Coach

HERSHEY, Pa. (AP) — Coach Frank Mathers of the Hershey Bears is desperately trying to come up with a way to stop the basketball-type defense adopted by the Springfield ice hockey team.

Springfield has been using what is called in basketball a full court press in the final playoff series between the two teams for the American Hockey League's Calder Cup.

The tactics have worked so well Hershey has been bottled up on its own ice during most of the three games won by Springfield.

A victory tonight here will give the Indians a clean sweep and the championship.

## Simpson Named Assistant to Egli

John Egli finally has a full-time assistant basketball coach. He's Clarence (Snowy) Simpson, a former member of the athletic staff at Utah University.

Simpson, 45, served from 1954 until 1959 as an assistant to Jack Gardner, Utah's basketball coach. He also worked as a backfield coach with the Utah football team.

In addition to his duties as Egli's assistant, Simpson will serve as a scout and assistant coach during the football season.

## McClain Hurls Senators To Win Over Cleveland

WASHINGTON (AP) — Joe McClain, a 27-year-old right-hander, broke into the major leagues last night by pitching the Washington Senators to a 3-2 victory over the Cleveland Indians before a cheering, chilled crowd of 10,126.

McClain, a \$25,000 minor league purchase by the new Senators, gave up seven hits, four in the eighth inning when Cleveland scored its runs.

# Netmen Face Georgetown In Opener

By JIM WELSH

Sherm Fogg's netters will try to rebound from an opening match defeat when they open the home season against Georgetown on the Pollock courts at 2 this afternoon.

The Hoyas have eight matches under their belts so far this year, compiling a 3-5 record against some of the top tennis powers in the country.

Dick Rezzetti, who led Georgetown to a 6-3 victory over State last year, won't be back to haunt the Lions, but the Hoyas still retain three veterans from last year's team.

Fred Cone, Walt Burbrick and Bob Mendel all played against State last year and they return to action again this season.

State will be looking for its first win after losing to Penn in the opener.

Fogg will start Jim Baker in the number one position. Baker lost to Mendel in last year's defeat at Georgetown.

Captain John Blanck, who defeated Burbrick last year, will follow Baker in the number two position.

The four netmen rounding out Fogg's singles lineup will be Vance Rea, Dwight Moore, Don McCartney, and Whit Gray. All but Gray played against Georgetown in 1960.

State's three doubles combinations will be Baker-Blanck, Rea-Moore, and McCartney-Don Benner or John Coldren.

# Landis Ruins Lary's Bid for No-Hitter

DETROIT (AP)—Jim Landis' scratch single in the fifth inning ruined Frank Lary's bid for a no-hitter yesterday as he pitched the Detroit Tigers to a 7-0 triumph over the Chicago White Sox.

Landis' hit bounced off shortstop Chico Fernandez's glove and the official scorer promptly ruled it a hit. Fernandez was forced to go far to his right to make the play. If he had fielded it cleanly it appeared he might have caught Landis at first.

Lary, dazzling the White Sox with an assortment of curves, sliders and fast balls, retired the next 13 batters before walking pinch hitter Earl Torgeson in the ninth.

The Tigers supported Lary's pitching with a 15-hit attack and scored their seven runs in the first three innings off Frank Baumann and reliever Bob Shaw.

Lary, 30, struck out five while walking only two.

CHICAGO (AP) — Sammy Taylor, with a three-two count and two out in the ninth, slammed a two-run homer to give the Chicago Cubs a thrilling 3-2 home opener victory yesterday over the Milwaukee Braves.

Taylor's blow gave the managerless Cubs their first victory of the season and it came after Milwaukee apparently had sewed up a 2-1 triumph on solo homers by Frank Bolling and Hank Aaron.

The Taylor heroics came after he entered the game as a pinch-hitter in the seventh and proceeded to throw out three frisky Braves on the bases.

Taylor's decisive blow was a gift of Milwaukee starter Bob Buhl who had gone all the way.

Al Heist had singled before Taylor's homer.

The victory went to Don Elston, who relieved starter Bob Anderson at the start of the eighth.
