Regulations and procedures for the Spring Week Float Parade scheduled for 6 p.m. Friday were announced last night by Robert Polishook, co-chairman of the parade.

The time was moved back one-half hour, Polishook said, to avoid having part of the parade take place in the dark.

## Spring Week Profits, Fines To Go to Fund

The profits from Spring Week and traffic fines will be given back to students in the form of scholarships, according to Richard Haber, SGA president and chairman of the Penn State Student Scholarship Fund committee.

Haber said that several \$150 scholarships will be available as soon as Spring Week is over and the money has been tabulated.

To be eligible for a scholarship, a student must be enrolled in a 4-year course and must have completed one academic semester at the University. He or she must have at least a 2.5 all-University average.

The scholarships will be awarded on the basis of character, need and contribution to student activities.

The winners will be selected by Haber, Dean of Women Dorothy J. Lipp, Dean of Men Frank J. Simes, Ralph N. Kreeker, director of Student Aid, and a member of the comptroller's office.

Applications for the scholarships are available at the Office of Student Aid, 218 Willard and must be returned by May 15.

### Disciplinary Action--

The other student was placed on suspended suspension for repeated misconduct in the residence hall. The student, a freshman in physical education, was already on disciplinary probation for similar behavior, Austin said.

# Liberals Endorse Three Candidates

big thing is getting it started in the first place.

Robert Harrison, University party candidate for president, said he stands for strong government. He also emphasized the University party platform.

Harrison denied that he had backed down on the issue of the student march to Harrisburg. This was never a party plank, he explained.

If enough students are interested in making the march it will be conducted, Harrison said.

Witmer said that if he were elected vice president he would consolidate student government committee system. He said that he would "sit at the top" of these committees.

Jay Huffman, Campus party candidate for vice president, said that if he were elected he would act as a liaison between the students and the administration.

Miss Cavanagh emphasized that she would push the executive branch of student government and make the secretary-treasurer position stronger.

Mary Swed, Campus party candidate for secretary-treasurer said that she is a math major, knows how to work with numbers and has had the secretarial experience necessary for the position, in explaining why she felt qualified for the position.

# Brosnan Admits Deliberately Hitting Batters

LOS ANGELES (AP) — Jim Brosnan, veteran relief pitcher for the Cincinnati Reds, says that on occasion he has been ordered to hit a batter deliberately and has done it.

This statement by the National League twirler was carried in a copyright Herald-Express story yesterday by John B. Old.

Brosnan, asked if he had deliberately hit a batter, replied: "I have." Asked why, he said: "I was told to."

Old asked: "Then managers, upon occasion, do order their pitchers to deliberately hit a batter, but not with the idea of permanently injuring a player?"

"That's right," replied Brosnan. "Where do you try to hit them—in the shoulder, hips or legs?" he was asked.

"Usually at his back," said the bespectacled Brosnan. "The worst that could happen would be a cracked rib, but I can't throw that hard."

## Three Canadians Named To NHL All-Star Team

MONTREAL (AP)—Bernie (Boom Boom) Geoffrion, who scored a record-equaling 50 goals, and two other members of the regular season champion Montreal Canadiens were named to the National Hockey League's all-star team for the 1960-61 season.

Geoffrion, a right winger, was joined by teammates Jean Beliveau, a center, and Doug Harvey, a defenseman.
