

Congo Soldiers Arrest Leader

COQUILHATVILLE, the Congo (AP) — President Moise Tshombe of Katanga was arrested yesterday after he scornfully walked out of a summit conference of Congolese politicians.

The leader of the Congo's richest province was seized by soldiers of the Leopoldville central government of President Joseph Kasavubu. He was preparing to board a plane for Elisabethville, his capital.

In Leopoldville, Congolese army authorities believed the arrest of Tshombe was an emergency and a strictly temporary measure to prevent his quitting the conference. They were convinced the Katanga leader soon will be released.

Communications with Coquilhatville were disrupted soon after Tshombe's arrest and it was not possible to verify whether he still was under detention.

Tshombe had bitterly denounced other Congolese politicians as "vassals of the United Nations."

Military Group Drops Cuba

WASHINGTON (AP)—Cuba was voted out of secret sessions of the 21-nation Inter-American Defense Board yesterday.

The board is a military group that meets here every week or two to plan defense strategy for the Western Hemisphere.

It voted 12-1 to bar Prime Minister Castro's representatives as long as Cuba continues its evident alliance with the Communist bloc.

Cuba cast the lone vote against the resolution, which was offered by the United States. Mexico, Venezuela, Ecuador and Chile abstained and Brazil reserved its vote. Three other countries were absent.

The resolution is a temporary measure, specifying that the Cuban delegation will be denied access to secret sessions and classified documents of the board "as long as there exists the present, evident alliance" between Cuba and the Soviets.

Air Force Aids Laotian Soldiers

VIENTIANE, Laos (AP) — The U.S. Air Force opened an arms airlift to government soldiers yesterday after Vientiane officials charged the pro-Communist rebels had launched attacks on all fronts.

A government communique said the Pathet Lao rebels had struck in five areas, creating a grave situation.

Washington made it clear that arms will continue to pour in to royal Lao army forces until a cease-fire is established and verified.
