

# Wettstone Ties for First With 6-4 Jump at Relays

By JIM KARL

Jerry Wettstone doesn't pretend to be a John Thomas, but the Lion junior is fast making a name for himself as one of the East's better high jumpers.

Wettstone cleared 6-4 Saturday to tie for first with Yale's Bill Flippin in the college division at the Penn Relays.

The Lion junior topped 6-5½ against Navy April 22 to miss tying Dick Campbell's school record by just half an inch.

Wilmore Davis of Morgan State won the invitation division at the Relays, a class reserved for the elite performers in college, AAU and armed forces competition.

Davis hit 6-5, one inch over Wettstone's title-winning effort.

Campbell, hampered by an ankle injury the past two weeks, hit 6-2 to gain a five way tie for third in the invitational division.

State didn't win any of the eight relay events, but the Lions performed well in the individual competition.

Bob Brown won the 100-yard dash by half a foot over Maryland State's Dan Miller. The Lion star was slow getting out of the blocks but took the lead at the halfway point and then held off a strong bid by Miller. His time was 9.9 on a sandy and wind-whipped track.

Jim Schwab came within less than a foot of breaking his school record in the javelin. His toss of 223-4 was just seven inches shy of the mark he set as a sophomore in 1959.

Schwab finished third in the championship division of the javelin behind Maryland's Nick Kovalakides and LaSalle's Dan McDyre.

record with a toss of 232 feet.

Ron Beard and St. John's Gordon Webb both cleared 13 feet to tie for second in the college division of the pole vault.

Gerry Norman swept the steeplechase. Abilene Christian's John Lawlor won the event in 9:14.2.

State made a strong bid to capture the two mile relay but Michigan's Ergas Leps again took the Lions right out of the picture with his powerful finishing kick.

Friday Leps started his amazing kick just off the last turn in the four-mile relay to outdistance Harvard's Mark Mullins and State's Steve Moorhead.

Moorhead ran an artful third leg in the 2-mile relay to give anchorman Howie Deardorff a six yard lead.

Moorhead found himself boxed in between three runners 80 yards from the finish line. But somehow he slipped through on the inside lane and won his leg by six yards.

Deardorff had a three-yard lead with one lap to go but Leps and Fordham's Frank Tomeo outraced him to the tape.

State's mile relay quartet of Bob Brown, Mike Miller, Don Davies and George Metzgar finished second to Maryland State in their section of the mile relay.

Maryland State's winning time was 3:16.1. State was clocked in 3:18.2.

# Engineers Shellack Lion Netters, 7-2

By JIM WELSH

Penn State's tennis team dropped a 7-2 decision to Lehigh Saturday on the Engineers' home courts in Bethlehem, Pa.

Lehigh had an easy time disposing of the Lions despite fine individual performances by Jim Baker and Whit Gray.

Baker led off with a surprisingly quick 6-2, 6-1 win over Lehigh Captain Charlie Hodge. The win marked Baker's second impressive victory in a row and brought his season record to 2 wins against 3 defeats.

Fast improving Whit Gray chipped in with a 6-1, 6-4 decision over Bob Kramer in the number six slot.

The Lion sophomore now owns a three match winning streak — the longest individual skein recorded by a State netter this year.

State's other netters didn't fare as well as Gray and Baker.

Captain John Blanck had his poorest day of the season and dropped a fast 6-1, 6-1 decision to Lehigh's Ron Groff.

Blanck's record has now fallen off to 3-2.

Vance Rea, State's number three man, also was unimpressive in his loss to Engineer left-hander Bill Samuels.

Rea's record now stands at 1-4, his only victory coming in the Pitt match.

Don McCartney extended John Custer to 3 sets before dropping his match while Dwight Moore lost to Murray Rust in 2 sets.

The doubles combinations of Baker-Blanck, Rea-Moore, and McCartney - Don Benner all were defeated in two sets.

The Lions meet Bucknell in Lewisburg Friday and Navy at home Saturday in this week's matches.

# Jenson's Walkout Unexplained

BOSTON (AP)—Jackie Jenson's sudden walkout on the Red Sox was officially unexplained last night as a train carried him closer to his home and family in Nevada.

Red Sox officials, and particularly Manager Mike Higgins, want to hear from the 34-year-old outfielder himself why he took a midnight train out of Cleveland Saturday.

There was some speculation Jenson was looking ahead to air trips which the team would make to Kansas City and then Los Angeles. Jenson has a known fear of flying, but he might have left the team for another reason — his poor showing after a year's retirement.

Jackie's wife, former Olympic diving champion Zoe Ann Olsen, felt it was his poor playing. And Boston Traveler's baseball writer Bill Liston wrote from Kansas City that's what Jenson told him before he boarded the train. Liston quoted Jenson as saying: "I can't hit anymore. I can't run. I can't throw. Suddenly my reflexes are gone. I am quitting only because I have too much pride to be the 25th man on the Red Sox."

Jenson's wife — unaware of these quoted comments — said on learning Jackie was headed home: "I'm just speculating, but I have to think Jack feels he's hurting Boston's chances."

Jenson has a .130 batting average for the first 12 games of the season. He has hit safely only six times in 46 times at bat and has only one rbi.

Liston wrote that Jenson left the team after consulting with a Boston psychiatrist, Dr. Roy Menninger.

"My doctor told me that my decision is correct provided it is not the result of snap judgment," Liston quoted Jenson as saying.

"This is not snap judgment. For the past five days I've been able to think of nothing else. Dr. Menninger agreed with me so I'm quitting. I feel much better about it to know I have his approval." Dr. Menninger declined comment.

Liston quoted Jenson further: "I don't want to take owner Tom Yawkey's money under false pretenses. Estimated 1961 salary is \$50,000. I always returned dollar for dollar. Now I don't feel I can do that anymore. "I want one thing understood. I'm not quitting in the sense of the word. I'm not quitting this time, as I did last year, because of my family. I'm not quitting because I fear flying, which I still do and always will."

## Fraser Defeats Schmidt To Win Tennis Tourney

VIENNA (AP) — Neale Fraser of Australia and Maria Esther Bueno of Brazil won the singles finals of the International Park Club tournament yesterday.

Fraser defeated Ulf Schmidt of Sweden 4-6, 6-0, 7-5, 2-6, 6-4. The match was started Saturday but was interrupted by rain. Miss Bueno defeated Darlene Hard of Montebello, Calif., in some of the best tennis ever seen here, 8-6, 6-3.

# Angels May Draw Million --Laughs

LOS ANGELES (AP)—When the Los Angeles Angels said they might draw a million this year, maybe they meant a million laughs.

It hardly seems likely, on the basis of early returns, that they could have been talking about people.

But it may still be too early to calculate just how many people can be lured into the park with the smallest capacity in the majors to watch an American League grab-bag ball club whose immediate destiny looks darker than the inside of a bowling ball.

The Angels were encouraged Sunday when they drew 16,297 for a doubleheader with the Kansas City Athletics—who have made a specialty of appearing before intimate groups.

This was a substantial improvement over Saturday, when it looked as though the Angels and Minnesota Twins might not draw enough for a hand of pinochle. About 5,000 showed up for that one, but the game was on local TV.

# Lion-Cal Game Marks Renewal Of Old Relations

Penn State will play California this fall in a game which will mark the renewal of football relations between the Nittany Lions and west coast schools.

The Lions will play at California in 1962. In 1963 they'll journey to Oregon and will entertain UCLA, and in 1964 will meet Oregon and UCLA with the home sites reversed. The UCLA contract recently was extended through the 1965 and 1966 seasons on a home-and-home basis.

Penn State hasn't met a west coast team in regular season play since 1948, when Bob Higgins' last team beat Washington State, 7-0, at Tacoma, Wash.
