Beta Colony Gets Charter

Beta Colony sorority was granted a charter by the Senate Subcommittee on Student Affairs last week making it the second colony to be given a charter this semester.

The only other local sorority on campus, Alpha Colony, was chartered by the Senate in the early part of this semester. The University now has 26 sororities and two colonies.

Beta Colony is planning to affiliate with a national sorority and will petition for membership on Panhellenic Council before the end of the year, Judy Klein, sorority secretary, said yesterday.

The colony has been informally rushing and now has 22 members, Miss Klein said. A membership of 16 girls is required in order for a group to petition for representation on Panhel.

Next year Beta Colony will have the suite presently occupied by Alpha Omicron Pi in McElwain, Miss Klein said.

Choral Group Will Perform Purcell Opera

The Penn State Singers, a 20-voice choral group directed by Raymond H. Brown, associate professor of music, will present Henry Purcell's three-act opera, "Dido and Aeneas," at 7:30 and 9 p.m. May 12 in the Hetzel Union Assembly Room.

Admission to the performances will be by complimentary tickets, which may be obtained at the Music Department office, 216 Carnegie.

Vocal soloists for the performances will be Gale Leister, senior in music education from State College, Kay Esslinger, senior in music education from Reading, Sandra Sliker, senior in music education from York and Samuel Gordon, senior in music education from Claysburg.

"Dido and Aeneas" tells the familiar Greek legend of Vergil's "Aeneid," in which Dido, queen of Carthage, falls in love with the Trojan prince, Aeneid, and kills herself when he deserts her.

Summer AWS Applications

Applications for summer positions in the Association of Women Students will be available tomorrow through Thursday at the Hetzel Union desk.

Senate Ed Bill--

Another feature would be a statewide system of scholarships ranging in value from \$100 to \$1,000 per year depending on the family's need for aid. The scholarships would be available on a competitive basis, such as tests, to about five per cent of the graduating high school seniors.

Hays said that in submitting the bill, the committee did not provide for earlier implementation of the proposed program, because it felt more time was needed to efficiently set up such a program.

He was "hopeful" the bill would pass but didn't think it had as good a chance as the other two proposed measures.
