

THE PARADE from Recreation Hall to the Hetzel Union Building is a feature of each annual alumni reunion. The old grads get a chance to retrace their steps across the ever-changing campus.

Class Reunion, June 15, To Honor Eight Classes

By SUSIE LINKROUM, '61

You say you have 11 children now—isn't that grand! What ever became of Florence—did she ever marry ole Harry? Do you remember the time when . . . ?

These familiar reminiscences will be the topic of conversation during the annual class reunion to be held June 15, 16 and 17 on campus.

This year's reunion will honor the classes of 1911, '16 '21, '26, '31, 36, '41, and '51. All

those attending from the class of 1911 automatically become "Pioneers" since they are 50-year graduates.

Ten years following graduation, each class is invited back every five years to participate in the class reunion activities.

One of the main events held during the reunion is Alumni Institute which is designed to keep alumni aware of what is happening in the field of education. Several speakers will lecture on a variety of subjects. The alumni will be able to choose three to attend.

Among the other events taking place will be a color slide presentation on the history of Penn State, campus bus tours, individual class banquets, and get-togethers, an alumni parade, presentation of distinguished alumni awards and an all-class luncheon.

The reunions are held annually to keep alumni informed on the "state of the University" and to keep them in touch with classmates. The Alumni Homecoming weekend held in the fall and the Alumni College held during the regular school year are also a part of the alumni program.

Local alumni make arrangements and plan events for their classmates for the June reunion. Returning alumni will be housed at the Nittany Lion Inn, Simmons and McElwain residence halls and at motels and private homes in the State College area.

A general invitation is also extended to members of all other classes. Mrs. Mary Neilly, managing editor of the "Alumni News" said. Approximately 1500 alumni and their guests are expected to attend, she said.

Food Conferences

Five one-day food service conferences are being conducted this month throughout the state by the College of Home Economics and Continuing Education.

The conferences are for those interested in quantity food preparation and service, including restaurant managers, hotel food service managers, dietitians, hospital or other institutional food service managers, school food service managers and caterers.

The sessions, which run from 1:30 to 9:30 p.m., are conducted by Dr. S. Earl Thompson, head of the Department of Hotel and Institution Administration, and James R. Keiser, assistant professor of hotel and institution administration.

Profs Author Art Book

"Prints and Printmaking" has recently been published by the Center for Continuing Liberal Education.

It was produced by three members of the School of the Arts: George S. Zoretich, professor of art; Bruce Shobaken, assistant professor of art; and Edwin W. Zoller, former specialist in the arts for the Center and professor emeritus of art.

Association Grants 15 Scholarships

By LYNN CEREFICE

Fifteen outstanding freshmen among the thousands of students admitted to the University each year hold Alumni Memorial Scholarships.

The Penn State Alumni Fund established the Alumni Memorial Scholarship program in 1955 because it was be-

lieved that the University lacked a sufficient number of scholarships awarded on the basis of academic achievement.

The scholarships are given in memory of Penn State alumni who have lost their lives in the military services.

There are now 60 alumni scholars on campus. Several of them have distinguished themselves as campus leaders and have made outstanding contributions to the University.

Some of those who have achieved special recognition are: Constance Adler, Miss Penn State, 1960; Charles Gaston, former president of the Engineering and Architectural Student Council; and Martha Wilson, former president of Mortar Board.

Alumni scholars receive awards which cover the complete amount of in-state tuition, \$480 per year. Out-of-state students receive a similar amount.

Funds for the scholarships were made available through gifts to the University which were specifically designated for Alumni Fund scholarships.

Alumni scholars are chosen on the basis of high scholarship, but need, activities, leadership and citizenship qualities are also requisites for selection.

Through the Alumni Association, the 70 or more Penn State District Alumni Clubs form scholarship committees in their districts. Their job is to screen qualified candidates in the high schools and nominate the best students available for the scholarships.

Final selection of recipients is made by a University awards committee consisting of the coordinator of scholarships, the dean of men, the dean of women, the executive secretary of the Alumni Association and the dean of admissions.

In order to receive an Alumni scholarship, candidates must take the College Board Entrance Examinations and must be formally

admitted to the University.

A recipient must maintain a 3.0 All-University average to keep the scholarship award. When a student falls below this requirement, the award is given to another student in the same class, so that there are always 15 Alumni Scholars in each class.

The following students now hold Alumni Memorial Scholarships:

CLASS OF 1961: Constance Adler, Ruth Ellen Angelotti, Ronald Beatty, Patricia Berg, James Dowd, Elizabeth Dowling, Ralph Fertig, Charles Gaston, Carole Heisey, Linda Miller, Ellen Louise Mills, Mary Janine Mitchell, William H. Thompson, Martha Wilson.
