

Hong Kong Student Adopted by Council

Yu Tung Mui, an 11½-year-old Hong Kong girl has been adopted by West Halls Council under the Foster Parents Plan, George Henning, council president said.

The council will provide the girl with a cash grant of \$8 per month plus medical care. Supervision of Yu Tung Mui's education will also be provided by the council under the Foster Parents Plan, which is sponsored by the International Cooperation Agency.

Snyder Discusses Role of Intellect During Workshop

The only valid reason for coming to college is to acquire an educated mind, Dr. Helen Snyder, assistant professor of psychology, said at an orientation workshop Sunday.

Dr. Snyder addressed next year's women orientation leaders and junior residents on the topic, "The Role of Intellect in an Educated Woman."

She defined the educated mind as one of "solitude, sobriety, perspective and compassion."

However, she said, women in general have neglected these four points, even though the intellectual promise may exist.

Intellect, Dr. Snyder stressed, is inherent in each individual. It is the characteristic of persons who can think systematically and abstractly, she said.

The capacity of a society to generate this kind of thinking is also a component of intellect, Dr. Snyder stated.

Therefore, she said, one's education should be for the purpose of more systematically or intellectually describing the world.

The problem of anti-intellectualism in our culture arises when the "bright" women students fail to develop their capabilities, she explained.

Dr. Snyder continued by saying that many of these "bright" students put off their own education for the sake of social life and boyfriends.

In concluding her remarks to the coeds at the workshop, she said that as orientation leaders and junior residents it is their responsibility to give new students the "right idea" of a college education — providing an educated mind.

Greek Week Scheduled For October

Next year Greek Week will be held during the fall term from Oct. 22 through 31, Pamela Chadwick and J. Robert Banks, Greek Week co-chairmen, said yesterday.

The only change in the program planned for next year is the substitution of a window display contest for the customary poster contest, Miss Chadwick said.

This change was recommended by the past year's committee, she said. "We think that a window display contest will be more enjoyable since the poster contest seems to be declining in appeal," she added.

Greek Week will begin with the IFC-Panhel Sing preliminaries Oct. 22 and 23. The Outstanding Pledge Banquet is scheduled for Oct. 24 and the fraternity-sorority exchange dinners for Oct. 25.

A Bridge tournament is scheduled for Oct. 26.

The highlight of the week, the annual IFC-Panhel Sing Finals, have been set for Oct. 27.

The over-all Greek Week winner will be announced at the IFC-Panhel Banquet scheduled for Oct. 31.

Applications for Greek Week committees are now available in the IFC Office, 203-E Hetzel Union Building. Applications should be returned by Friday. Banks said committee chairmen will be appointed next week.

French Film Scheduled

"Lady Paname" is the title of the French film to be shown at 8 p.m. today in 209 Home Economics South.

The film is one of the series sponsored by the French Institute and is open to the public. Starring in the film are Louis Jouvet and Suzy Delair.

It is a musical comedy about "l'Avenue Saint-Martin, the "Tin Pan Alley" of Paris.

Honig to Speak at Series

Dr. Werner Honig, assistant professor of psychology at Denison University, will be the speaker at the Psychology Colloquium at noon today in Dining Room A of the Hetzel Union Building.

His talk is entitled "Prediction of Preference, Transposition and Reversal from the Gradient of Stimulus Generalization."

Block 'S' to Sell Hayes, Seelig Memberships For Next Year

The Block "S" Club will sell advance membership tickets from 9 a.m. to 4 p.m. tomorrow and Friday in the Hetzel Union Building.

The tickets will be 75 cents each and will be limited to two per person.

At a recent meeting, Block "S" elected Robert Dufner, senior in business administration from Pittsburgh, president for next year. James Stoup, junior in arts and letters from Camp Hill was elected vice president; Deborah Eddy, freshman in liberal arts from Syosset, N. Y., secretary; Robert Polishook, sophomore in pre-med from Haverford, treasurer; and Hershel Richman, sophomore in arts and letters from Philadelphia, member-at-large.

The first Penn State fraternity, Delta Tau Delta, was established in 1872.

(Continued from page seven) horse, but he'll be back for State's next two games at Lehigh Friday and Swarthmore Saturday.

Hayes and Seelig were both first team All-Scholastic players in high school. Hayes scored 39 goals his senior year and was a starter for two years on a Sewanhaka (N.Y.) team that won the National Schoolboy title and captured 92 consecutive games.

He didn't go out for lacrosse until his sophomore year at Sewanhaka and at best it was only his second choice. "I couldn't make the baseball team as a pitcher, so I decided to give lacrosse a try," Hayes said yesterday.

Seelig also had an outstanding record in high school. Like Hayes, he comes from Long Island, where lacrosse is on a par with baseball as a spectator sport. He was a defense man at Franklin Square, N.Y., but was switched to mid-field last year as a freshman because of his height.

Piper's: Your one-stop music center on Benner Pike. Guitars, banjos, complete music line accessories. Open daily from 8-8 except Wednesday. Piper Music Center. Phone EL 8-3441.

The total to be provided by the council for the girl's support will amount to \$180 during the year in which they will be responsible for her care.

Yu Tung Mui is the daughter of a coolie laborer who works for 91 cents a day. Her mother makes plastic flowers and baskets at a salary of 18 cents a day.

The girl, her parents, a brother and sister live in a 10 by 14 foot single room house in Hong Kong.

During the year that the council will act as the girl's foster parent, she will correspond regularly with the group. In her first letter, Henning said she wrote that she is in the fourth grade and would like to be a doctor.

A representative of the Foster Parent's Plan explained that it is highly improbable that she will achieve this goal, since very few women in Hong Kong receive higher education.

The Foster Parents Plan was founded in 1937 as part of the Advisory Committee on Voluntary Foreign Aid of the International Cooperation Agency. The plan aids children from Belgium, France, West Germany, Greece, Hong Kong, Italy, Korea and Viet Nam.

The weather Bureau had warned of severe thunderstorms with wind gusts to 80 miles an hour and possible tornadoes in eastern Pennsylvania, southeastern New York and New Jersey.

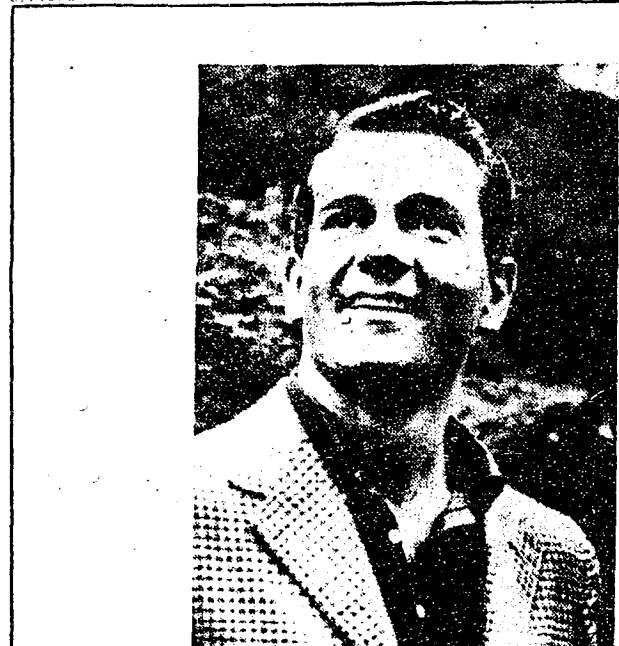

Wind, Heavy Rain—

(Continued from page one) diameter at 5:30 yesterday afternoon.

The squall line continued eastward last evening, and late in the evening was approaching the far eastern sections of Pennsylvania.

The Weather Bureau had warned of severe thunderstorms with wind gusts to 80 miles an hour and possible tornadoes in eastern Pennsylvania, southeastern New York and New Jersey.

Tonight should be partly cloudy and colder and a low of 40 is forecast for early tomorrow.
