

# Norman Loses 1st 2-Mile of Season

By JIM KARL

Gerry Norman found out Saturday that sometimes you just can't win.

Until Saturday the Lion sophomore, one of the top distance runners in the East, had never been beaten in the two mile in two years of competition for State.

Norman was clocked in 9:08.5 against the Quantico Marines in the final dual meet of the season on Beaver Field to better his best previous time by four seconds.

But Mike Fleming of Quantico turned on a tremendous finishing kick to hit the tape two seconds ahead of Norman after letting the tall Englishman set the pace for the entire race.

Bob Brown was upset by Ed Collymore in two sprints but State still managed to take eight first places and win the meet, 68 1/6 - 62 5/6.

Fleming, whose times this year haven't been close to nine minutes, stayed a step behind Norman as first Steve Moorhead and then Herm Weber wilted with the fast pace.

Norman, not noted for a fast finishing kick, turned on the steam on the last lap for a 61 second quarter. But Fleming surprised everybody including Norman by breezing home in 59 seconds.

"I was quite happy with my kick," Norman said yesterday, "it was faster than most of my mile

**COLLYMORE WINS DUEL:** Quantico's Ed Collymore breaks the tape a step ahead of Bob Brown to win the 100-yard dash on Beaver Field Saturday. Collymore also beat Brown in the 220 but State still won the meet, 68 1-6 to 62 5-6. Collymore was clocked in 20.3 for the 220 to set a new meet record.

kicks. But, if I would have known that Fleming had that much of a kick I would have moved over and let him set some of the pace."

Collymore beat Brown by six yards in the 220 and set a meet record of 20.3, only three-tenths of a second off the world record held by Dave Sime.

The former Villanova star was clocked in 9.4 for the 100 but the time was not allowed because of an 8.4 mile per hour tail wind. Brown was clocked in 9.4 plus.

There were two standout performances in the field events—Jim Schwab's record-breaking throw in the javelin and John Uelses' 15 3/4-foot pole vault.

Schwab, a senior, broke the

record of 223-11 1/2 he set as a sophomore by almost four feet with a throw of 227-10.

Uelses, who said Friday that he wouldn't compete because of a pulled muscle, broke the meet record in the pole vault. The record was set only last year by Quantico's Mel Schwartz and Dave Tork, who tied for first at 14-6 3/4.

The Loins will spent the rest of the week preparing for the IC4A championships scheduled for Randall's Island, N.Y., Friday and Saturday.

Off pre-season performances Villanova and Maryland look like the teams to beat with Penn State, Yale, and Navy right behind the two frontrunners.

# Modern Ballgames Last Much Longer

NEW YORK (AP) — "Buy me more peanuts and crackerjacks. I don't know if I'll ever get back."

Big league baseball fans have good reason to tamper with the lyrics of "Take me Out to the Ball Game" what with the two hour game now the exception rather than the rule.

Spectators nowadays are more likely to have to wait three hours than two before the final out is made.

The average time for all games has been 2 hours and 39 minutes.

Sixteen American League games of nine innings duration and nine extra inning games have taken at least three hours to finish. In the National League, 15 regulation games and five extra inning contests were played in three hours or longer.

Five National League games and two in the American were over in less than two hours. The fastest game by time was 1 hour,

45 minutes — Dodgers 5, Cincinnati 1 at Los Angeles April 23.

The longest nine-inning game ran 3 hours and 52 minutes—Cleveland 10, Athletics 8 at Kansas City, April 23. Fourteen pitchers were used in that game. Longest National League contest was over in 3 hours and 34 minutes—Dodgers 13, Pittsburgh 6 at Los Angeles April 16.

The longest game by time this season took place in St. Louis on April 28. In that one, it took the Cardinals 11 innings and 4 hours, 23 minutes to defeat Philadelphia 10-9. Other games over four hours were Milwaukee at Philadelphia April 20 (11 innings 4 hours, 12 minutes) and Minnesota at Kansas City, April 24 (10 innings 4 hours, 2 minutes).

Incidentally, the Brooklyn-Boston 26-inning marathon of May 1, 1920, was played in 3 hours, 50 minutes.
