## Middies To Test Nittanies' Rating

Today Rip Engle finds out just how good his football team really is.

Ever since Penn State ripped Oregon 41-12 in the Liberty Bowl in December, football "experts" have been fighting to get aboard the Lions' bandwagon.

Virtually everyone picks Engle's veteran squad as the top team in the East and one astute observer lists State as the No. 1 team in the nation.

But too often football predictions "become as sounding brass and tinkling cymbals" before the season is too old.

Engle prefers to hear the crack of helmets on the field of battle before making any brash comments.

He will hear just that this afternoon at 1:30 when the Lions and Navy meet head on at Beaver Stadium.

A warm, sunny day and a crowd of close to 40,000 is expected for the kick-off.

As predictions go, the early line on the Lions is well founded. Engle has 15 lettermen returning from last year's team that won its last five games in convincing fashion.

Only one non-letterman—right guard Harrison Rosdahl—is on the starting unit and he probably wouldn't be there if Bob Hart hadn't torn some ligaments in his knee in pre-season drills.

Engle has a rugged, hard-hitting line, a game-tested backfield and Roger Kochman on the second team.

Kochman is the 190-pound halfback who bolted through the whole Syracuse team on a 100-yard touchdown jaunt two years ago, then sat out last season with a knee injury.

Kochman is eager to play and doesn't think the year layoff will hurt him. "I'm really looking forward to playing," he said. "I've been hit harder in practice than I ever was in a game."

## Hardin Begins Third Season

Navy's Wayne Hardin at 34 is one of the youngest head coaches in collegiate football.

Hardin is starting his third year as head coach after serving for four years as backfield coach. His 1959 squad posted a 5-4-1 record and last year Navy was 9-2, including a 21-14 loss to Missouri in the Orange Bowl.

In two engagements with arch-rival Army, the youthful coach has scored wins of 43-12 in 1959 and 17-12 in 1960. His objective is to even the series with the Cadets, which now stands at 30-26-5 with Army in the lead.

Hardin went to school at the College of Pacific where he won 11 varsity letters, the greatest number ever won by an individual in COP's athletic history.

He came to Navy in 1955 as a defensive backfield coach and was mainly responsible for the fact that the Navy ended the '55 campaign as the No. 2 team in the nation in pass defense. In 1956 he switched to the offense.

Hardin received several nominations for "Coach of the Year" after the 1960 campaign.
