

Last Minute Defeats Hurt Pittsburgh

PITTSBURGH (AP) — If the Pittsburgh Steelers are a bit on edge going into tomorrow's game against the New York Giants, who can blame them?

The situation is this: Pittsburgh lost to Dallas 27-24 last week as the Cowboys came up with 10 points in the last minute of play. And in both games against the Giants last year, the Steelers were defeated in the last minute of play.

Can lightning strike again? Coach Buddy Parker is hopeful it can't. And he's hopeful of a couple other things also.

One is Tom Tracy, Parker hopes the injury-ridden halfback will be in top form for the Giants game. The stocky back saw only limited action last week because of a toe injury.

Says Parker, "Our offense will roll once we get a sound Tracy in there. Tom's toe is mending and when he is right those other teams won't be able to over-defense our running game."

Tracy is slated to start tomorrow. Parker has another hope. He's hoping two new players—defensive halfback Johnny Sample and offensive lineman Charlie Bradshaw — will have the Steelers' system down pat by tomorrow.

Pittsburgh acquired both players three days before the Dallas game and both saw a great deal of action against the Cowboys.

Meanwhile, the club has announced that halfback Brady Keys has been put back on the active list. Keys, a flanker and running back, had been out of action since suffering a fractured cheek against Detroit in an exhibition game.

The return of Keys means a player must be cut from the squad. Parker has not decided who will be cut.

Geneva Ace Ineligible; Former Nittany Q-Back

BEAVER FALLS, Pa. (AP) — Geneva College officials said yesterday football star Joe DeNone has used up his athletic eligibility and will not participate in intercollegiate sports this school year.

DeNone, the team's No. 1 quarterback, is in his senior year, having started at Geneva in 1958. Previously, he spent a year at Penn State beginning in 1955.
