Miami	Kentucky (A)
Boston U.	Buffalo (H)

Maryland	SMU (A)
West Virginia	Vanderbilt (A)
Holy Cross	no game
Pitt	no game

The MIAMI Hurricanes, 10-7 losers to Pitt last Saturday, get another chance to prove they are the top independent power in the South when they clash with Kentucky at Lexington today.

Miami will be counting heavily on the passing of sophomore quarterback George Mira and the receiving of All-American end Bill Miller.

Kentucky should also go to the air today. The Wildcats have a fine passer in Jerry Woolum and an excellent receiver in Tom Hutchinson, All-Southern Conference as a sophomore last season and the eighth leading pass receiver in the nation with 30 receptions.

Up New England way BOSTON UNIVERSITY opens its season against Buffalo under the lights tonight. BU will be without the services of veteran halfback Albie Stonkus who is sidelined with a knee injury, but the rest of the starting backfield is ready to go.

BU beat Buffalo 42-14 last year but coach Steve Sinko is wary of the Bull's wide open offense. "Buffalo is a team of many tricks," he said. "There is no offense that they haven't used at one time or another and playing a team like that early in the season can really be dangerous."

ARMY Coach Dale Hall will see just how much air security his Cadets can throw up at West

ERNIE DAVIS
... Elmira Express

Point where passing ace Mel Rideout leads Richmond against the Black Knights.

Rideout, who ranked 15th in the nation in passing last year, engineered the Spiders to a victory over West Virginia last week.

Army should have a potent ground attack this year with Al Rushatz back at fullback and two quarterbacks who run like halfbacks in Joe Blackgrove and Dick Eckert.

Two of the nation's top football players will meet in a head-on duel at Portland, Ore. where SYRACUSE and Oregon State meet in an intersectional clash.

Syracuse has All-American Ernie Davis manning its left half-back position, while Oregon State junior quarterback Terry Baker shapes up as top back on the west coast.

Davis, 6-2 and a powerful 210-

pounds, was the nation's No. 3 ground-gainer a year ago with 877 yards. The Elmira (N.Y.) Express averaged a brilliant 7.8 yards per carry and drew plaudits from coast to coast.

All Baker did as a rookie was set an all-time Oregon State total offense record. The Portland native gained 610 yards as a ball-carrier, averaging 5.5 yards per try, and completed 60 of 117 passes for 863 more yards. His grand total was 1473 yards gained as well as a 6.5 average.

CALIFORNIA will have its hands full at Berkeley where it hosts highly-ranked Texas. Coach Marv Levy is counting on the passing of Randy Gold and the line smashes of George Pierovich to move the football against the Longhorns.

Coach Tommy Nugent is hoping his MARYLAND Terrapins aren't corralled when they meet South Methodist in the famous home of the Mustangs, the Cotton Bowl in Dallas, Texas, tonight.

Nugent has 24 lettermen returning from last year's team which finished the season with a rush, winning five out of the last six games.

Leading the veteran starters is the Terp's brilliant All-American end, Gary Collins. The 6-3, 205-pound senior from Williamstown, Pa., the best end ever to play for Maryland, has been selected to every major pre-season first team All-America.

WEST VIRGINIA will be looking for its first win in 15 games against Vanderbilt at Nashville, Tenn. tonight.

HOLY CROSS and PITT are idle this week. Coach Eddie Anderson's Crusaders will meet Buffalo in their opener next Saturday and Pitt will try for its second win against Baylor.

Lions Play Miami, BU In Next Two Games

After today's game, Penn State hits the road for night games at Miami (Fla.) and Boston University. The Lions will return home Oct. 14 when they'll face Army in the first of a three-week home-stand that also includes Syracuse and California.

Tribe Boss Sees Certain Gate Rise

CLEVELAND (AP)—Cleveland General Manager Gabe Paul, disappointed by the turnout of only 725,000 to Indians' home games this season, says he believes the city is ripe for an upsurge in baseball attendance.

"I think the people are all griped out," Paul said in an interview before the team headed for Kansas City on the final road trip of the season. "The complaints about this and that are starting to lessen and the pendulum is beginning to swing the other way."

"Baseball attendance goes in cycles. This town is ready now and it's our job to give them something to see."
