Frosh Footballers Short on Linemen

An abundance of backs and very few linemen were on hand yesterday as the Penn State freshmen ran through their first practice session for the coming season.

Head coach Earl Bruce and assistant coach Dan Radokovich will spend the next four weeks rounding the squad into shape for the opener with Navy Oct. 21.

Of the 21 candidates on the squad with scholarships, only seven are linemen, and of these seven, three are ends.

However, with almost a month to practice before the first game, Bruce will have ample time to make a few changes.

Following the game against Navy, the Frosh will make their only home appearance of the season against Pitt Oct. 28. They will conclude their three-game schedule against West Virginia at Morgantown Nov. 4.

Lion chances for a successful season will depend a great deal on 22 members of the squad who came out on their own. A few surprises along the way would be a real blessing to the coaching staff.

Leading the list of backfield candidates is George Brome, a swift moving halfback from Brooklyn, N.Y. Brome was a triple-threat star in high school.

Three other New Yorkers will be vying for halfback spots on the team. They are Pete Ochsner from Syracuse, Dean Richardson from Perry, and Dana Pickup from Wellsville.

Fullback candidates include Bud Yost from Castanea, Tom Blechash from Latrobe, and Bob Kane from Munhall.

Bill Kmit, Gary Klingensmith, Dirk Nye, and Joe Vargo are also in the running for backfield positions.

Two big 250-pounders, Noel Sabatino and John Simko will be counted on to anchor the line.

 goal before, booted a 31-yarder to tie the score at 10-10.

Navy began moving again after the ensuing kickoff but a diving interception by Huffman halted the drive. State didn't waste any time moving to the Navy 8, but a third down pass from Hall to Bob Mitinger fell incomplete and Jonas came through again, splitting the uprights from the 15.

Near the end of the fourth quarter Caum replaced Hall, who was bothered by a sore ankle, and in three plays the Lions had another score.

With the ball on the State 32, Caum threw a running pass to Wydman, who twisted his way 46 yards to the Navy 22 before being caught from behind by Dick Merritt, a sophomore fullback who runs the 100 in under 10 seconds.

Gursky carried for short yardage to the Navy 19 and then Caum skirted Navy's right end, cut inside one defender and sprinted into the end zone. Jonas kicked the extra point with less than 2 minutes remaining and State had a hard-earned victory.
