

# Three Grid Fields Added for IM Play

Intramural director Dutch Sykes announced yesterday that three new playing fields have been obtained for the IM football season.

Sykes announced that the new fields, which are located next to Beaver Stadium, may be ready in time for next week's openers.

In past years the IM program has utilized three fields next to the golf course. The addition of the three new fields would enable Sykes to schedule six games at the same time and a total of 18 per night.

Sykes said that if the new fields are not ready by next week, he will have to draw up schedules to include only the three old fields.

In any event, the new fields, complete with a lighting system, will serve as practice areas for teams desiring their use and for pickup games.

Should the fields be ready by next week, there is a possibility that both fraternity and independent teams will play opponents in their respective sections twice during the season.

Regardless of whether the fields will be completed or not, IM football should be more exciting than ever this fall.

Five new rules have been added this year which Sykes predicts will result in more interesting and competitive games.

Sykes said that the new rule which will permit any number of men to be stationed in the backfield at the start of a play should result in high scoring games and put more pressure on the defensive team.

Another rule change permits the defense to run with laterals and fumbles. A tag is now legal only when it is made above the knees of a ball carrier.

Another rule concerns tie games. In games in which two teams are deadlocked at the end of regulation time, the ball will

be placed at mid-field and each team given a series of four downs. The team moving the ball the farthest after four plays will be declared the winner.

Sykes said that 5 p.m. Friday is the deadline for both fraternity and independent entries.

In other news released from the IM office, it was announced that the annual golf-medal tournament will be held at the golf course Saturday and Sunday, Oct. 7-8.

In all probability, Dave Miller of Triangle will be back to defend his fraternity title. Last year Miller shot a 74-72-146 to edge Maurice Balling of Phi Gamma Delta by one stroke. Balling has graduated, leaving the field open to challenge Miller.

Entries for golf must be turned in at the IM office no later than Oct. 6.

## America's Tennis Hopes Jolted by Heavy Rain

NEW DELHI, India (AP)—Rain held up practice yesterday as the U.S. Davis Cup tennis team began its final preparations for the interzone finals against India this weekend.

Only Donald Bell of Bethesda, Md., appeared to have regained his timing and general poise on the gravel courts after the wearying plane trip from the United States. The other team members, Charles McKinley of St. Louis, Whitney Reed of Alameda, Calif., and Martin Riessen, of Evanston, Ill., got in some good shots but need a little more time to settle down.

# Adcock's HR Gives Braves Tie for 4th

MILWAUKEE (AP) — The Milwaukee Braves assured themselves of at least a fourth-place tie in the National League yesterday, mauling the St. Louis Cardinals 9-2.

The decision gave Milwaukee a three-game bulge over St. Louis with only three games to play.

The Braves gave Lew Burdette the cushion for his 18th victory against 10 defeats early. Lee Maye and Eddie Mathews drew walks from starter Ray Sadecki, the eventual loser, to open the first and Joe Adcock sent his 35th home run of the season over the left field fence.

MINNEAPOLIS - ST. PAUL (AP) — Right-hander Gary Bell won his 12th game against 15 defeats yesterday as the Cleveland Indians pounded three Minnesota pitchers for 14 hits and a 7-3 victory over the Twins.

Bell had a shutout going until the bottom of the eighth when shortstop Zoilo Versalles slammed his seventh home run of the season, a three-run blast.

Bell aided his own cause by hitting safely three times. He also had one run batted in.

BOSTON (AP)—Gary Geiger's two-run pinch hit triple enabled Boston to edge Chicago 7-5 for a doubleheader split yesterday. A two-run homer by Roy Sievers settled the opener by the same score in favor of the White Sox.

The left-hander Geiger, swinging for Carroll Hardy in the eighth inning against reliever Cal McLish, smashed a drive into the right field corner, scoring Pumpsie Green, who had walked, and

Frank Robinson

CHICAGO (AP)—Three Cincinnati home runs, including two-run shots by Frank Robinson and Jerry Lynch, clinched a National League pennant tie for the Reds yesterday with a 6-3 victory over the Chicago Cubs.

Lynch's blast in the eighth broke a 3-3 tie and then winning pitcher Jim Brosnan singled across the last Red run in the ninth.

The jubilant Reds, whooping it up in the sun-bathed infield before only 3,327 Wrigley Field fans after the final out, were to leave immediately for Cincinnati and at least a preliminary hometown celebration during a two-day layoff.

The outright clinching hinged on one possible defeat of the runner-up Los Angeles Dodgers in a two-night twin bill at Pittsburgh last night. (Pittsburgh was ahead, 7-0, after 7 innings in the second game last night. The Dodgers won the first game 5-3.)
