

Greek Week Announced For October

Greek Week, seven days of events for fraternities and sororities, will be held from October 22 to 29, Pamela Chadwick, second vice-president of Panhellenic Council, announced last night.

It had originally been planned to spread the Greek Week events over the term because of the increased amount of work required under the four-term system. Miss Chadwick said. She explained that after more consideration, it was decided to hold a single Greek Week to preserve the proper spirit of the events.

Greek Week will open with Greek Sunday, Oct. 22, when fraternity men and sorority women attend church services in groups. During the week there will be IFC Sing preliminaries, an outstanding pledge banquet, exchange dinners, a bridge tournament and a poster contest. The IFC-Panhel Banquet will be held on Oct. 31.

Fraternities and sororities have received IFC Sing applications which are to be turned in Friday at the Hetzel Union desk, Sally Leight, co-chairman of the event, said. She also said that this year fraternity quartets will not be required to sing barbershop harmony. They may sing one song in barbershop style and one in non-barbershop style or both in non-barbershop style.

The required song for fraternities is "Do You Fear the Wind?" and for sororities, "The Night Has a Thousand Eyes." Copies are available to groups at the Hetzel Union desk.

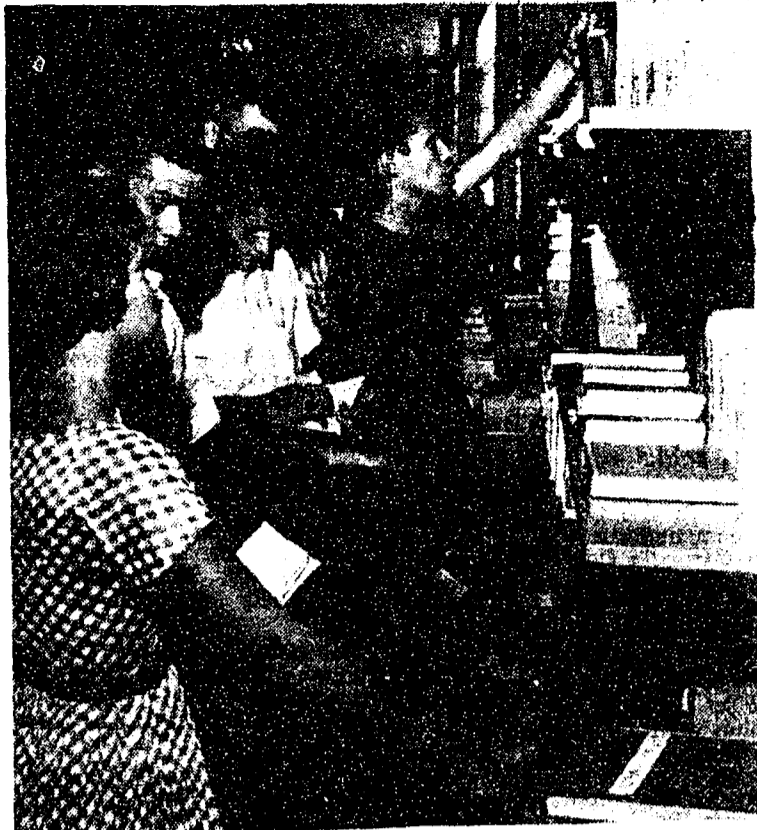

In other business, the council changed the date of the sorority open houses for rushees from the weekend of Nov. 4 to the weekend of Nov. 11 because of the conflict with the Maryland game.

Under the proposed rushing schedule for this year, fireside discussions for those interested in sorority rushing will take place on the evenings of Oct. 1 and 8. Jan Carlisle, Panhellenic rush chairman, said. Panhellenic representatives will be present at these meetings to explain sorority life and rushing to freshmen and transfer women, she added.

Registration for rush will be held during Greek Week on Oct. 23 and 24. A \$2.50 registration fee will be required. At the beginning of the winter term there will be a second registration at which prospective rushees must present transcripts to show that they meet the average requirements for rushing. Actual rush will begin on Jan. 5, 1962.

John R. Bilder

John R. Bilder, formerly instructor in English at the Ogontz Campus, has resigned. He will accept a teaching position at Georgetown University.

SMOKE AND FIRE SALE? No, its just a scene that has become very familiar these days since the Used Book Agency took over the Hetzel Union card room to sell books. Books will be taken for the last time today and will be sold until noon, Sept. 30th.

UBA Crowds HUB

The answer to the conjection that many people have bumped into on their way through the ground floor of the Hetzel Union Building lies in the book sale being conducted by the Used Book Agency and the 25,000 books that have changed hands since it began.

Mel Schulman, chairman of the UBA, reported that over 15,000 books were brought in to be sold and that, thus far, close to 10,000 books have been sold.

Thousands of students weighted down with thousands of books, have passed through the sacred portals of the Lion's Den, pushed their way past the people milling about the candy and cigarette machines and suffered an untold number of headaches and backaches in order to reach their destination.

The way to the card room was not free from obstacles. The first was the line of prospective buyers which extended all the way to the pin ball machines.

Then, when the brave had gone as far as the door to the Book Exchange, there were the people who pushed and shoved their way through the line to leave or enter the BX.

The most aggravating part of the whole operation was the beautiful afternoons wasted while standing in line. The students who didn't get the books they needed only got sore feet for their trouble.

For those people who dare to venture out now, the UBA will continue to sell books until Sept.

30. Money will be refunded for books that are sold from Oct. 9-14. On Sept. 29-30, the UBA will return money for incorrect purchases and will return unsold books to students from Oct. 11-14.

GSA to Open Carnegie Bids

Bids for the remodeling of Carnegie as an educational communication center are out and will be opened next month, Walter H. Wiegand, head of the Department of Physical Plant, said yesterday.

Work on the project, which includes the construction of a small building on the west side of Carnegie and the remodeling of the interior of the building, will not begin until bids are accepted by the General State Authority, Wiegand said.

In the remodeling, space will be provided for television and motion picture studios, radio broadcasting and photograph laboratories, plus some administrative offices, and the offices of the School of Journalism.

Walker to Return From Italian Trip

President Eric A. Walker returns home tomorrow after a three-day trip to the University managed NATO anti-submarine research installations at La Spezia, Italy.

Walker went to the center to attend a routine, semi-annual meeting of the board of directors, Wilmer E. Kenworthy, executive assistant to the president, said yesterday.

The La Spezia laboratory was established 2 1/2 years ago for research on naval problems in an international co-op basis. Scientists from nine NATO nations make up the staff of the center, under the University's management.

Ralph L. Baker

Dr. Ralph L. Baker, professor of marketing in the Department of Agricultural Economics and Rural Sociology, has resigned. Baker has accepted a teaching position at Ohio State University.

Architect Sends Note For Mention in Book

A brief mention in W. F. Duraway's "History of The Pennsylvania State College" today brought a belated note of thanks from John W. Gregg, retired landscape architect.

The mention was uncovered by his grandson, John T. Gregg, while on campus this summer to assess the Peace Corps program for the New York Daily News.

The reference noted that "landscape gardening first appeared in the catalogue as a curriculum in 1909-10, with Professor J. W. Gregg in charge."

Hockey Club Will Meet

The first meeting of the WRA Hockey Club will be at 4 p.m. today in the Game Room, White Hall.
