Defense Must Improve For Successful Season

By CRAIG YERKES

(This is the final article in a series on the Penn State soccer team. Today, the defense.)

A pair of seasoned, senior goalies, a solid, surefooted full-back, and a hustling halfback will be the major factors in the defensive alignment for coach Kenny Hosterman's 1961 Penn State booters.

The two goalies are Dave Grubbs and Jim Gottschling, the fullback is Lion captain John Miller, and the halfback is junior Jay Stormer.

These four veterans hold the key to a solid, tight defense.

Grubbs and Gottschling, Hosterman's answer to Rip Engle's two-platoon system, usually alternate at goalie, with one playing the first half and the other the second half.

Both have drawn praise from eastern soccer critics for their daring play, and, when the "G-men" are on, they provide a solid one-two punch for the Lions around the nets.

Lion captain John Miller has been a solid performer for State for two years. Miller, who stands 6' 2" and weighs over 200 pounds, was a startling full-back as a sophomore and is extremely agile for a big man.

Hosterman had hoped to team sophomore surprise Harry Kline with Miller, but yesterday the Lion coach learned that Kline is ineligible for academic reasons.

Another surprise of pre-season practices had been Roy Johnson, an unheralded junior who did not play much last year. However, misfortune hit twice in one day when Hosterman learned that Johnson also is ineligible.

So it has turned out that what once was Hosterman's strongest position now is a question mark. Sophomore Bill Manke, who is as big as Miller, could be the answer to Hosterman's problem.

Manke was outstanding as a freshman, but lack of experience could hurt him in tight games. Kenny Link played fullback last year, but Hosterman hoped to use him to bolster the Lion's scoring attack.

Stormer, outstanding as a

sophomore, heads a potentially strong halfback corps. Dieter Heinze, a sophomore from up-state New York, will hold down the center half spot, while Stormer will perform at his customary left half position.

They both like to run, but Stormer is hampered by shin splints while Heinze, a high school track star, is extremely fast. They both are ballhawks and according to Hosterman have that special ability to know where the ball will be.

The remaining halfback spot is up for grabs with senior Lee Lantz, junior transfer from Ogontz, Wentzel Pisch, and sophomore Norm Allen the leading candidates.

Patterson, McNeeley Fight Set

TORONTO (AP) — World heavyweight champion Floyd Patterson will defend his title in Toronto against Tom McNeeley Monday Dec. 4, it was announced yesterday.

It will be the first world heavyweight boxing title bout ever held in Canada.

Tom Bolan, president of Championship Sports Inc. told a news conference he has submitted a proposed agreement to Merv McKenzie, Ontario athletic commissioner, and that all obstacles have been cleared.

The fight will be held in Toronto's Maple Leaf Gardens, home of Toronto's National Hockey League Club. Seating capacity is about 15,000.

The fight will be promoted by Championship Sports, and Toronto promoter Frank Tunney.

Patterson and McNeeley, of Arlington, Mass., will come to Toronto within the next two weeks for the formal signing.

"At that time details of the agreement will be announced," Bolan said.

The fight will be shown on television in Canada and the United States, he said, but there will be a blackout in a radius of about 100 miles of Toronto.

The Patterson-McNeeley fight originally was scheduled for Boston, Nov. 13. But Bolan canceled that arrangement because of a disagreement between the Patterson camp and the Massachusetts Boxing Commission concerning an out-of-town referee.

McNeeley is undefeated but unranked.

O'Toole, son of a Chicago policeman, has been the Reds' workhorse with 253 innings. He has completed 11 of 35 games including three shutouts. More important he has won eight straight and has not allowed a single home run over his last 101 innings in 16 games.

Ford, of course, had a sensational year with the help of Luis Arroyo (15-5). Contrary to the general notion, he didn't need Luis every day. He pitched 11 complete games in 39 starts with three shutouts and struck out 210. Ford was nicked for 23 home runs.

Use of the skeet facilities is also planned as part of the hunter safety curriculum in required physical education classes.

This range provides an excellent opportunity for practice in the use of the shotgun. Skeet experience is especially valuable in anticipation of pheasant, quail or grouse hunting.

Faculty groups or others interested in the use of the range are asked to make arrangements with John McHugh at Rec Hall.

ARCHIE SAYS:

My cousin Archie—he thought the electric razor his gal gave him last Christmas was o.k. Then he tried Old Spice Pro-Electric, the before shave lotion. Now the guy won't stop talking, he thinks electric shaving is so great.

ARCHIE SAYS Pro-Electric improves electric shaving even more than lather improves blade shaving. ARCHIE SAYS Pro-Electric sets up your beard by drying perspiration and whisker oils so you shave blade-close without irritation. ARCHIE SAYS Pro-Electric gives you the closest, cleanest, fastest shave.

If Archie ever stops talking, I'll tell him I use Old Spice Pro-Electric myself.

SO DO I.

P. S. There's a .60 size but Archie gets the 1.00 bottle. (He always was a sport).
