

Lions Roar To 2nd Victory

Liske, Hayes Powell Score Nittany TD's

(Continued from page one) went 17 yards on an inside reverse to the four. With first and goal to go, Hayes rammed over for the score.

Powell returned Tom Daubney's kick nine yards to the State 45 near the end of the second period. From there, the Lions drove to the BU 17, where Jonas kicked a field goal with only 10 seconds left.

Liske hit Roger Kochman for 16 yards and after missing Kochman on another attempt, sent the Lion halfback up the middle for five yards.

Liske then hit Gursky with another 16-yarder and State was on BU's 24. A running play by Jonas netted seven yards and at the same time put the ball in position for the field goal.

Jonas' boot was true and the stocky halfback is now batting 3-3 in the field goal department. He kicked 2-2 in State's 20-10 opening game victory over Navy.

The Lions rolled up 221 yards on the ground. Including their passing yardage, they moved the ball 413 yards against the Terriers.

With nine minutes left Rip Engle put in his third team and except for a holding penalty the Greens might have had a score.

State had a fourth and one situation on the BU 31 but the 15-yarder set them back to the 46 and Engle sent in Chuck Raisig to kick.

"This was a crucial game," Engle said, "but our kids played well and I hope the victory boosts our morale."

BU coach Steve Sinko wasn't in a talkative mood after the

game and except for admitting that his Terriers lost to a "fine ball club", remained silent.

Farland, BU's starting quarterback, was a little more verbose. "I think you should beat Army next week," said the Terrier signal-caller. "Army is fast and mobile and they're in shape, but State's line strength and depth will be too much."

Speidel Issues Call

All freshmen and varsity wrestling candidates and persons interested in managing should report to the wrestling area in Rec Hall at 4:30 p.m. Thursday. Lion Coach Charlie Speidel said that he is short of heavyweight material and would welcome anyone interested in trying out.

Lions to Host ECAC Tourney

Penn State's golf team will be the host club this morning in a qualifying round of the ECAC golf championship.

State will be one of the nine teams competing on the Nittany links in one of four such qualifying rounds to determine sectional champions. The sectional winners will compete in the championship round Oct. 21 at Bathgate Park in Long Island, N.Y.

The Lions will send a strong squad into play at 10 a.m. including Jim Taber, Lion captain Bob Swahn, Roland Gartner, and Rich Gilison. Swahn and Gilison saw action on State's golf team which compiled an 8-4 record last year.

Last year's championship team, Navy, will be here in the favored role along with strong teams from Villanova and Georgetown. The first two teams in today's competition will compete for the Eastern title.

Syracuse Meets Stiffest Test In Game Against Maryland

The little things—an injured halfback, an underrated opponent, a sudden letdown—all lurk in the shadows around college football's elite today and may cause a few shockers before the day is ended.

The injured halfback belongs to Iowa's Hawkeyes, ranked first in the current Associated Press poll. The player is Larry Ferguson, who won't face Southern Cal-

ifornia in a game that will be televised nationally ABC-TV, 4 p.m. (EST).

Syracuse, ranked seventh and now the highest-rated team in the East, plays Maryland in its most important test so far.

Army, 2-0, goes against ninth-ranked Michigan's powerful Wolverines at Ann Arbor, Mich., in a battle of razzle-dazzle T-formation attacks.

In the Southern Conference, Virginia Tech will try to extend West Virginia's overall non-winning string to 19 in a row.

ARCHIE SAYS:

My cousin Archie—he thought the electric razor his gal gave him last Christmas was o.k. Then he tried Old Spice Pro-Electric, the before shave lotion. Now the guy won't stop talking, he thinks electric shaving is so great.

ARCHIE SAYS Pro-Electric improves electric shaving even more than lather improves blade shaving. ARCHIE SAYS Pro-Electric sets up your beard by drying perspiration and whisker oils so you shave blade-close without irritation. ARCHIE SAYS Pro-Electric gives you the closest, cleanest, fastest shave.

If Archie ever stops talking, I'll tell him I use Old Spice Pro-Electric myself.

SO DO I.

P. S. There's a .60 size but Archie gets the 1.00 bottle. (He always was a sport).
